Agreement for Household Hazardous Waste Disposal

THIS AGREEMENT is made and entered into this 1st day of July, 2026, by and between the Board of County Commissioners of Oklahoma County ("Participant") and the Midwest City Municipal Authority, a public trust ("Midwest City").

WITNESSETH:

WHEREAS, the parties are entering into this Agreement to define the participation and expectations of each party, and to coordinate a program for the collection and management of household hazardous waste ("HHW"); and

WHEREAS, the EPA Clean Water Act of 1987 requires the establishment of hazardous waste collection and disposal programs for MS4 permits; and

WHEREAS, it is extremely important to the environment to divert as much HHW as possible out of the normal solid waste stream and into a program designed to dispose of the HHW appropriately; and

WHEREAS, HHW is a waste that would be chemically or physically classified as a hazardous waste but is excluded from regulation as a hazardous waste pursuant to the regulations of the Environmental Protection Agency because it is generated by a household; such HHW consisting of numerous products common to the average household such as pesticides, paints, polishes, cleaners and automotive supplies; and

WHEREAS, each party to this Agreement has independently researched the possible benefits and obligations of participating in and coordinating activities under the terms of this Agreement; and

WHEREAS, each party has determined that a regional cooperative HHW education, collection and management program will provide increased convenience and participation, and possibly result in a lower cost per participant and cost savings to all parties;

NOW, THEREFORE, in consideration of the mutual goals and covenants contained herein, and the mutual benefits to result therefrom, the parties agree as follows:

1. The purpose of this Agreement is to establish a regional HHW education, collection and management program to effect cost savings, increase public convenience and participation, and educate the public about the proper management of HHW.
2. The term of this Agreement shall commence upon its effective date and conclude June 30, 2027 (the Term).

3. Participant and Midwest City shall have the right to terminate their participation under this Agreement at any time during the term of this Agreement for any reason including, but not limited to, their own convenience. If either party under this Agreement elects to withdraw or terminate its participation under this Agreement prior to the end of its term, the withdrawing party shall give the other party thirty (30) days prior written notice of the termination. Each party, prior to terminating or withdrawing from this Agreement, must meet all financial commitments and other obligations under this Agreement up to the point of the termination or withdrawal. Withdrawal or termination shall not be effective until all financial commitments and other obligations shall have been satisfied.

4. This Agreement may be renewed each year upon mutual agreement of the parties. Requests for renewal shall be in the form of a letter from Participant and must be received by Midwest City in April. Each such renewal shall be for one fiscal year, July 1 to the following June 30. Provided however that Participant will not be permitted to renew this Agreement if Participant is in arrears in payment of charges for services rendered pursuant to this Agreement.

5. Midwest City agrees to accept HHW from residents of Participant, with the understanding that Midwest City will maintain an accounting of the HHW amounts and the cost of their management. The residents will be required to provide proof of residency in Participant before Midwest City will accept any HHW from them, and they must comply with all ordinances and policies for the disposition of HHW established by Midwest City, as may be amended from time to time. Participant agrees that Midwest City may but is not required to inquire or investigate the residency of any person dropping off HHW beyond the address on the resident's driver's license or other government-issued photo identification.

6. Midwest City will bill Participant monthly, separately listing each collection occurrence, and Participant shall reimburse Midwest City in accordance with the terms of this Agreement. Participant hereby agrees to appropriate and encumber funding for this Agreement and the services to be provided, and to timely pay for services provided.

7. Billings are due thirty (30) calendar days after the date the bill is mailed. If payment is not received by the due date service to residents of Participant will be subject to termination seven (7) calendar days after the due date if payment is not received.

8. Midwest City shall assess a fee based on the weight delivered by participating residents not to exceed Six Thousand (\$6,000) Dollars unless mutually agreed to by both parties to this agreement. The fee structure per each resident per arrival or entry shall be determined by the following scale:
