Requesting Department: 940 Engineering/BOCC
Acquisition Description: Demo and haul off of Contaminated Soil at the Behavioral Care Center Site
Supplier's Name: Midwest Wrecking
Supplier's Address: PO Box 14668
Supplier's Telephone: 405-478-8833

Please indicate type of request: Sole Source ☒ Sole Brand ☐

I hereby affirm that the source listed above is the only person or business entity singularly qualified to provide the acquisition, and if a product is the only brand or product which is unique, for the following reasons:

Midwest Wrecking possesses the license and proper credentials to demo and remove the type of contaminated soil as well as the trucking capacity needed to complete the job.

The following is a brief description of all efforts which were made to verify that the services or products to be purchased qualify as a sole source or sole brand acquisition. (Example, name other sources whose products or services have been evaluated and explain why those products/services do not meet requirement)

No other local vendor is licensed and permitted to properly handle the contaminated soil. They also cannot support the trucking capacity required for this job in my opinion.
