

**AGREEMENT BETWEEN THE BOARD OF COUNTY COMMISSIONERS  
AND THE OKLAHOMA COUNTY DISTRICT ATTORNEY'S OFFICE**

*WHEREAS*, the Board of Commissioners of the County of Oklahoma, State of Oklahoma (“BOCC” or “County”), has previously contracted with the District Attorney, District No. 7, State of Oklahoma for additional civil legal services from the Office of the District Attorney; and,

*WHEREAS*, the said Board of County Commissioners continues to require additional civil legal services from the office of the District Attorney, including matters pertaining to the county’s official duties, civil legal proceedings, legal advice, contract review and consultation, tax collections, public property acquisition and disposition, consultation as needed at meetings of the various boards, committees, and authorities of the county, and other services beyond those presently required by statute or otherwise; and

*WHEREAS*, the civil legal services needed would be prohibitively expensive if purchased from the private bar or otherwise unavailable; and

*WHEREAS*, the District Attorney must prosecute or defend all civil actions or proceedings in which the County or its agents and employees acting in the course and scope of employment are interested or a party pursuant to 12 O.S. §§ 215.4, 215.5, 215.25; and,

*WHEREAS*, the District Attorney’s Office is not sufficiently funded by the Oklahoma Legislature to devote sufficient staff to meet the volume of legal services requested by the BOCC; and,

*WHEREAS*, the County may supplement the salaries of the district attorney and assistant district attorneys pursuant to 19 O.S. § 215.30 and *State ex rel. Blankenship v. Atoka County*, 456 P.2d 537 (Okla. 1969); and

*WHEREAS*, pursuant to 19 O.S. § 215.36 the Board of County Commissioners shall provide “[s]ufficient funds for the costs and necessary expenses of investigation, prosecution, or

defense of any action, whether contemplated or actual” and may furnish equipment and operating personnel for computer services and microfilming; and

**WHEREAS**, in addition to assistant district attorneys primarily assigned to provide civil legal services the District Attorney must also at times provide investigators and paralegal support staff; and

**WHEREAS**, 19 O.S. § 215.37K provides that claims by the District Attorney to the Board of County Commissioners for costs and necessary expenses of investigation, prosecution or defense of any action, actual or contemplated on behalf of the County must be ordered paid by said Board of Commissioners whether or not such claims are encumbered in advance; and,

**WHEREAS**, an exact calculation of the services provided by the District Attorney to the Board of County Commissioners would be costly to maintain; and,

**WHEREAS**, the parties consider appropriate and in the best interest of the County for the District Attorney to maintain an increased number of Assistant District Attorneys and staff primarily assigned to performing civil legal services to the BOCC and for the County to be able to plan for and encumber in advance the amount of such costs;

**NOW THEREFORE**, for and in consideration of the premises and promises herein contained, the parties agree as follows:

## **SECTION 1. DEFINITIONS**

It is explicitly recognized that the consideration paid herein by the Board is in the nature of a retainer which enables the District Attorney to employ the additional attorneys and staff for the duration of this contract, ensuring the availability of attorneys for the county to address its civil legal service needs. The District Attorney reserves the right to request additional funds as budgets are revisited in September or at other times during the fiscal year to meet the actual cost for personnel rendering civil legal services to the BOCC.

(b) In addition to amounts paid pursuant to this contract and as required statute, the BOCC will provide sufficient funds for the costs and necessary expenses of investigation, prosecution, or defense of any action, actual or contemplated, on behalf of the County, its officers, and employees acting within the scope of their employment, whether or not such claims are encumbered in advance. The BOCC will consider, approve, and promptly pay the costs necessary for investigation, prosecution, and defense of civil litigation once they are submitted and disclosed to the BOCC by the District Attorney’s Office.

### **SECTION 3. OBLIGATIONS OF THE DISTRICT ATTORNEY**

The District Attorney covenants and agrees as follows:

(a) to assign a sufficient number of Assistant District Attorneys and support staff to its Civil Division to meet the needs of the Board in appearing before state and federal courts and administrative tribunals, excluding workers' compensation courts, processing claims filed pursuant to the Governmental Tort Claims Act, tax collections, public property acquisition and disposition, and providing legal advice upon other matters when requested to do so by County elected officials.

(b) to assign adequate investigatory and support staff to assist attorneys in its Civil Division;

(c) to keep the Board advised of the status of all litigation being prosecuted or defended on behalf of the County, its officers, and employees acting within the scope of their employment, including but not limited to the prompt notice and request for approval of any and all litigation costs associated with such prosecution or defense; and

(d) to provide a privileged and confidential report of the details of the civil legal services provided to the BOCC during the preceding calendar year.

## **SECTION 7. TERMINATION**

This Agreement shall terminate at the conclusion of the fiscal year. Any encumbrance which has not been obligated in accordance with State statutes shall lapse to the extent it is unobligated.

## **SECTION 8. RESOLUTIONS**

The Parties hereto warrant that this Agreement has been brought before their respective Boards, if any, and that resolutions approving said Agreement and authorizing its execution, to the extent they are required, have been passed.

## **SECTION 9. EXECUTION**
