- (e) When BOKFS is designated by Issuer as its IRMA, BOKFS shall be Issuer's IRMA solely with respect to the Scope of Services. BOKFS shall not be responsible for verifying that it is independent (within the meaning of the IRMA exemption as interpreted by the SEC) from another party wishing to rely on the exemption from the definition of municipal advisor afforded under the IRMA exemption. Any reference to BOKFS, its personnel and its role as IRMA in Issuer's written representation contemplated under SEC Rule 15Ba1-1(d)(3)(vi)(B), shall be subject to prior approval by BOKFS.

2. BOKFS's Regulatory Obligations When Providing Services to Issuer.

- (a) MSRB Rule G-42 requires that BOKFS (i) make a reasonable inquiry as to the facts that are relevant to Issuer's determination whether to proceed with a course of action or that form the basis for any advice provided by BOKFS to Issuer, (ii) undertake a reasonable investigation to determine that BOKFS is not basing any recommendation on materially inaccurate or incomplete information, and (iii) use reasonable diligence to know the essential facts about Issuer and the authority of each person acting on Issuer's behalf.
- (b) Issuer agrees to cooperate, and to cause Issuer's agents to cooperate, with BOKFS in carrying out the foregoing requirements, including providing to BOKFS accurate and complete information and reasonable access to relevant documents, other information and personnel needed to fulfill such requirements. In addition, Issuer agrees that, to the extent Issuer requests BOKFS provide advice with regard to any recommendation made by a third party, Issuer will provide to BOKFS written direction to do so and all information Issuer has received from such third party relating to its recommendation.

This document shall also contain an analysis of the existing debt and compare this analysis to the projected debt. On the basis of information thus developed, we shall devise a financing program to fund the proposed maturities, the estimated interest rate and cost on the proposed bonds, the resulting overall amount of projected annual debt service and tax requirements, and the relationship of these items to existing corresponding projected items of the Issuer.
2. We shall provide the following services relating to a bond election:
 - A. Provide the Issuer with information concerning the most advisable dates for holding an election to approve such issuance;
 - B. Work with the Issuer's Bond Counsel to prepare the necessary Resolution to call for the election;

 - B. We shall assist the Issuer, if necessary, in the identification, evaluation, and negotiations with prospective paying agents, registrars and transfer agents.
 - C. We shall prepare an Official Notice of Sale that establishes the specifications for bidding; i.e. bond maturity and interest coupon arrangements, interest rate limitations, and other pertinent details.

- F. We shall submit to the national rating services or credit enhancement providers, an application necessary to obtain a rating or enhancement on the Bonds. If such service(s) are determined to be necessary for the most effective marketing of the bonds, we shall assist the Issuer with the following:
 - 1. Provide financial, economic and demographic information to such organizations for their review;
 - 2. Coordinate and negotiate with the rating agencies to obtain the highest possible rating for the Bonds.
- G. We shall work with the Issuer's Bond Counsel to help prepare the necessary Resolution to set the date, time and place for the sale of the Bonds.

- K. We shall complete the necessary applications so that the bond issue can be bid electronically (via PARITY's Internet bond bidding system).
- L. Assuming a favorable interest rate is received and accepted by the Issuer, BOK Financial Securities, Inc., shall then proceed to work with the Issuer's Bond Counsel to take all steps necessary to expedite the preparation of all other documentation necessary to achieve delivery of the Bonds, including delivery of the Transcript of Proceedings to the Attorney General's Office.

APPENDIX B DISCLOSURE STATEMENT

This Disclosure Statement is provided by BOK Financial Securities, Inc. (“BOKFS”) to Oklahoma County, Oklahoma (the “Issuer”) in connection with the Engagement Letter (the “Letter”) and is dated as of the same date as the Letter.

Part A - Disclosures of Conflicts of Interest

MSRB Rule G-42 requires that municipal advisors provide to their clients disclosures relating to any actual or potential material conflicts of interests, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable.

Accordingly, BOKFS makes the following disclosures with respect to material conflicts of interest in connection with the Scope of Services, together with explanations of how BOKFS addresses or intends to manage or mitigate each conflict. To that end, with respect to all of the conflicts disclosed below, BOKFS mitigates such conflicts through its adherence to its fiduciary duty to Issuer, which includes a duty of loyalty. This duty of loyalty obligates BOKFS to deal honestly and with the utmost good faith with Issuer and to act in Issuer’s best interests without regard to BOKFS’s financial or other interests. Furthermore, because BOKFS is a broker-dealer, its financial advisory supervisory structure provides strong safeguards against individuals at BOKFS potentially departing from their regulatory duties due to personal interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

Affiliate Conflict. Any affiliate of BOKFS (the “Affiliate”) may provide certain advice, services and/or products to Issuer that may be directly related to BOKFS’s activities. The Affiliate’s business with Issuer could create an incentive for BOKFS to recommend to Issuer a course of action designed to increase the level of Issuer’s business activities with the Affiliate or to recommend against a course of action that would reduce or eliminate Issuer’s business activities with the Affiliate. This potential conflict is mitigated by the fact that Affiliate is subject to comprehensive regulatory review.

Compensation-Based Conflicts. If the fees due under the Engagement Letter are in a fixed amount established at the outset of the Engagement Letter. The amount is usually based upon an analysis by Issuer and BOKFS of, among other things, the expected duration and complexity of the transaction and the Scope of Services. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, BOKFS may suffer a loss. Thus, BOKFS may recommend less time-consuming alternatives. This conflict of interest is mitigated by the general mitigations described above.

Other Financial Advisor or Underwriting Relationships. BOKFS serves a wide variety of other clients that may have interests that could have an impact on Issuer’s interests. For example, BOKFS serves as financial advisor to other financial advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to Issuer under this Engagement Letter. These other clients may have competing interests. BOKFS could face a conflict of interest arising from these competing client interests. None of these other engagements or relationships would impair BOKFS’s ability to fulfill its regulatory duties to Issuer.

Municipal Activities with Other Issuer Financing Team Members. In the normal course of business, BOKFS may engage in municipal trading and underwriting activities with other members of the Issuer’s financing team, including but not limited to, bond counsel, underwriter’s counsel and bond underwriters. This may include BOKFS serving as a bond underwriter for a municipal issuer in which the Issuer’s bond counsel is serving as BOKFS’s counsel, an Issuer’s underwriter is serving as a municipal advisor and/or Issuer’s underwriter is serving as an underwriting syndicate member with BOKFS. Such a

situation could present a conflict as BOKFS and members of its financing team jointly participate, from time to time, in other municipal security transactions for compensation. None of these other engagements or relationships would impair BOKFS's ability to fulfill its regulatory duties to the Issuer and the potential conflicts of interest are mitigated as BOKFS relies upon the issuer to select its other financing team members, including bond counsel and bond underwriters.

Broker-Dealer and Investment Advisory Business. BOKFS is a broker-dealer and investment advisory firm that engages in a broad range of securities-related activities, in addition to serving as a financial advisor or underwriter. Such securities-related activities may be undertaken on behalf of, or as counterparty to, Issuer, Issuer's personnel, and current or potential investors in Issuer's securities. These other clients may have interests in conflict with Issuer's interests and the interests of such other clients could create the incentive for BOKFS to make recommendations to Issuer that could result in more advantageous pricing for the other clients. Furthermore, any potential conflict arising from BOKFS effecting or otherwise assisting such other clients in connection with such transactions is mitigated by means of such activities being engaged in on customary terms through units of BOKFS that operate independently from BOKFS's financial advisory business, thereby reducing the likelihood that the interests of such other clients would have an impact on the services provided by BOKFS to Issuer.

Secondary Market Transactions in Issuer's Securities. BOKFS may take a principal position in securities, including Issuer's securities, and therefore BOKFS could have interests in conflict with Issuer with respect to the value of Issuer's securities while held in inventory and the levels of mark-up or mark-down that may be available in connection with purchases and sales thereof. In particular, BOKFS or its affiliates may submit orders for and acquire Issuer's securities issued in an Issue under the Engagement Letter from members of the underwriting syndicate, either for its own account or for the accounts of its customers. This activity may result in a conflict of interest with Issuer in that it could create the incentive for BOKFS to make recommendations to Issuer that could result in more advantageous pricing of Issuer's securities in the marketplace. Any such conflict is mitigated by means of such activities being engaged in on customary terms through units of BOKFS that operate independently from BOKFS's financial advisory business, thereby reducing the likelihood that such investment activities would have an impact on the services provided by BOKFS to Issuer.

Related Disclosure Relevant to Client. While we do not believe that the following creates a conflict of interest on the part of BOKFS, we note that BOKFS has made charitable contributions to support community events. Client may wish to consider any impact such contribution may have on how it conducts its activities with BOKFS.

Payment to or from Third Parties. While we do not believe the following creates a conflict of interest on the part of BOKFS, we note that BOKF NA, an affiliate of BOKFS, has entered into an Independent Contract Agreement ("Agreement") with Dr. Joe Siano to provide consulting services related to bond election planning and community relations for Oklahoma school districts. Dr. Siano is also employed by the Oklahoma State School Boards Association with a focus on state education policy development. The District may wish to consider any impact the Agreement or Dr. Siano's employment may or may not have on the way BOKFS conducts its activities with the District.

Part B - Disclosures of Information Regarding Legal Events and Disciplinary History

MSRB Rule G-42 requires that municipal advisors provide to their clients certain disclosures of legal or disciplinary events material to the client's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel.

Accordingly, BOKFS sets out below required disclosures and related information in connection with such disclosures.

Material Legal or Disciplinary Event. Other than the disclosures summarized below, which may be material to the Issuer's evaluation of BOKFS or the integrity of BOKFS's management or advisory personnel there are no legal or disciplinary events that should be disclosed, on any Form MA or Form MA-I filed with the SEC.

June 18, 2015 – An order was issued against BOKFS by the U.S. Securities and Exchange Commission. The allegation were related to the due diligence conducted by the firm to establish a reasonable basis that certain material representations made by issuers in official statements connected with the offerings were accurate. The violations were self-reported by BOKFS pursuant to the SEC's Municipalities Continuing Disclosure Cooperation ("MCDC") Initiative.

October 21, 2015 – A regulatory action against BOKFS was resolved via an Acceptance, Waiver & Consent. The allegations were related to "fair and reasonable" pricing of corporate bond transaction.

March 11, 2019 – An order was issued against BOKFS by the U.S. Securities and Exchange Commission. The allegations were related to inadequate disclosure language in the firm's ADV brochures regarding the selection of mutual fund share classes that contain 12b-1 fees when share classes that did not contain 12b-1 fees were potentially available. The violations were self-reported by BOKFS pursuant to the SEC's Share Class Selection Disclosure ("SCSD") Initiative.

December 3, 2024 – A regulatory action against BOKFS was resolved via an Acceptance, Waiver & Consent. The allegations were related to inaccurately reported transactions in TRACE-eligible securities that did not include mark-up, mark-down, or commission without the required no remuneration (NR) indicator. The Findings also stated that BOKFS failed to establish, maintain, and enforce a supervisory system reasonably designed to achieve compliance with FINRA 6730(D).

Details of the events disclosed above can be found in the firm's Form MA available through the SEC's EDGAR Filing System

(<https://www.sec.gov/edgar/searchedgar/companysearch.html>). Search for "BOK Financial Securities, Inc." to view the firm's most recent Form MA filing.

Future Supplemental Disclosures. As required by MSRB Rule G-42, this Section may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest, or to provide updated information with regard to any legal or disciplinary events of BOKFS. BOKFS will provide Issuer with any such supplement or amendment as it becomes available throughout the term of the Engagement Letter.
