Warranty	Warranty is extended if Service agreement is in place.

Scope of work (detailed document upon request):

Service Wing Organic Solutions, LLC proposes to provide Service to one Anolyte Service Wing generator to the **Oklahoma County Detention Center**. Service Wing Organic Solutions, LLC will stand for all knowledge and related installation for the Service Wing unit itself and have technicians on site.

- a) Equipment Inspection: Service will include a full inspection of Service Wing equipment (See defined document upon request).
- b) Availability: Service Wing Technicians will be on call and respond within 1 Business Day of initial call to troubleshoot issue; On-site service scheduled if needed within 3 Business Days or a mutually agreed upon time between customer and Service Wing*.
- c) Service Wing technicians will inspect all plumbing and electrical inputs/outputs, flush the system if needed, check self-automation indicators and ORP testing, if installed.
- d) Service Wing technicians will review basic Service instructions with customer to ensure safety and efficiency of Service Wing equipment.
- e) Service Wing will replace filters and filter housings needed onsite as required; standard consumables (filters, tubing, etc.) are included.

Not Included: Electrical supply as well as electrical equipment apart from Service Wing equipment

Water storage tank is not included in the Service agreement, but Service Wing will make recommendations for any replacements needed.

Signatures: Customer agrees to the Service agreement terms as detailed herein.
