ATTACHMENT A: RISK-BASED SUBRECIPIENT MONITORING

This recipient is **MEDIUM RISK**

- i. County must send reminders to the entity of federal single audit requirements.
 1. If the County subaward to the entity is \$750,000 or more, subrecipient must complete a federal single audit and County is responsible for confirming the entity completes a federal single audit. If the entity does not complete the federal single audit, they are in violation of federal compliance requirements and corrective action must be taken.
 2. If County subaward to the entity is less than \$750,000, County should still notify the entity of the requirement as the \$750,000 threshold is a cumulative of all federal funds an entity receives during the entity's fiscal year. County must verify if an entity is required to perform a federal single audit by checking the total of federal awards made to an entity through www.usaspending.gov. Corrective action is needed if the federal single audit threshold is met but the entity has not completed a federal single audit.
- ii. Payments made on **reimbursement basis only** and reviewed for allowability.
- iii. Random sampling of expenditures for supporting documentation/detail should be conducted **at least quarterly**.
- iv. Annual site visit until the project is completed.

Project: Bonnie's Helping Hands Senior Delivery & Operational Cost

Description: With the growing need to feed those in our community who are facing hunger and the decrease in SNAP benefits, we have to develop a plan to address this issue, Grocery delivery services to Seniors 60+ who are homebound, handicapped and disabled , and food service to low income families and individuals and homeless has to increase to 2xs a month. This means additional funding to meet the purchasing increase for food, household necessities, and the operational cost to manage the increase in doubling our clients and senior deliveries. With one vehicle we need repairs and maintenance cost factored in as well as gas mileage to be able to reach our seniors. There will be increase in intake, ordering/purchasing, tracking and monitoring our progress, therefore a parttime clerical assistant would be essential to accommodate the success for this project.
