- B. To be responsible for timely and properly paying all claims for which it receives funds from the Plan Administrator pursuant to Section 3.D. of this Agreement and for all claims administration services related to the delivery of dental Benefits under the provisions of this Agreement. "Timely and

- C. To make available to Plan Administrator such utilization statistics and actuarial information compiled and retained by DDPOK which Plan Administrator and DDPOK agree to be reasonable for reporting purposes.
- D. To issue any billing, notification, payment, and/or report in compliance with the requirements set forth in this Agreement.
- E. To implement the following performance standards and guarantees and reimburse the Plan Administrator an amount of the administrative charge, as outlined below, should DDPOK’s performance for the contract period fall below the level outlined herein:
 - 1. Annual Claims Accuracy Performance Guarantee: DDPOK guarantees financial accuracy (correct dollars paid) of ninety-nine percent (99%) and procedural accuracy (claims entry/data entry) of ninety-seven percent (97%) for claims paid during each twelve (12) consecutive month period, beginning January 1 and continuing through and including December 31 each year so long as the Administrative Services Agreement remains in effect or until modified by agreement of the parties. DDPOK will draw a random sample of claims from total dental claims paid during the twelve (12) consecutive month review period. From this sample of claims, DDPOK will measure financial and procedural accuracy, and report to Plan Administrator annually. Financial accuracy will be determined by dividing the total dollar amount paid in error by the total dollar amount paid for claims included in the annual sample. Procedural accuracy will be determined by dividing the number of errors, or combination of errors, in data entry by the total number of claims in the annual sample. DDPOK will reimburse Plan Administrator One Hundred Dollars (\$100) for each percentage point financial accuracy and/or procedural accuracy fall below the percentages guaranteed for each. The maximum reimbursement for failure to satisfy the financial and/or procedural guarantee shall be Five Hundred Dollars (\$500) per twelve (12) consecutive month review period. Any penalty DDPOK is required to pay for failure to perform at the guaranteed financial and/or procedural accuracy level will be based on the annual measurement performed following the end of the twelve (12) consecutive month review period.
 - 2. Annual Claims Turnaround Time Guarantee: DDPOK guarantees one hundred percent (100%) of dental claims during each twelve (12) consecutive month period, beginning January 1 and continuing through and including December 31 each year so long as the Administrative Services Agreement remains in effect or until modified by agreement of the parties, will be processed within an average of six (6) working days. For the purpose of this Claim Turnaround Time Guarantee, DDPOK’s claim processing time will be as reported on DDPOK’s annual Turnaround Time Report for the twelve (12) consecutive month review period. DDPOK’s annual Turnaround Time Report will measure the claim processing time beginning with the date a claim is received by DDPOK and date stamped as part of DDPOK’s daily incoming mail, and ending with the date the claim is adjudicated. Should DDPOK’s annual Turnaround Time Report show that DDPOK paid less than one hundred percent (100%) of dental claims within an average of six (6) working days or less, DDPOK will reimburse Plan Administrator One Hundred Dollars (\$100) for each day in excess of an average of six (6) working days required to reach the one hundred (100)

percentile. The maximum reimbursement for failure to satisfy the Claim Turnaround Time Guarantee shall be Five Hundred Dollars (\$500) for the twelve (12) consecutive month review period.

3. Customer Satisfaction Guarantee: Each year, DDPOK will conduct a random survey of a representative sample of DDPOK Plan-wide participants with regard to overall satisfaction with the service they received from DDPOK. If DDPOK does not receive a satisfactory rating from at least eighty-five percent (85%) of survey respondents, DDPOK will reimburse Plan Administrator One Hundred Dollars (\$100) for each percentage point satisfactory ratings fall below eighty-five percent (85%), to a maximum of Five Hundred Dollars (\$500) for the plan year to which such survey applies.
 4. Management Satisfaction Guarantee: Should DDPOK's performance in any administrative area not be perceived as satisfactory by Plan Administrator's benefit managers, Plan Administrator will notify DDPOK. DDPOK will, within ten (10) working days of receipt of such notice, submit to Plan Administrator a plan and schedule for improvement of DDPOK's performance.
 5. Phone Call Abandonment Guarantee: DDPOK guarantees one hundred percent (100%) of phone calls to DDPOK will be answered by a customer service representative within an average of forty-five (45) seconds. For the purpose of this Phone Call Abandonment Guarantee, DDPOK's phone abandonment will be as reported on DDPOK's annual Phone Call Abandonment Report reflecting plan-wide results. Should DDPOK's annual Phone Call Abandonment Report show that DDPOK's average hold time exceeded forty-five (45) seconds, DDPOK will reimburse the Plan Administrator the sum of Five Hundred Dollars (\$500) for the twelve (12) consecutive month review period.
- F. To implement the following Cost Containment Guarantee and reimburse the Plan Administrator any sums incurred in connection with such guarantee, as detailed below.
1. DDPOK guarantees that savings generated in provider fee reductions, consultant review, non-billable charges, and coordination of benefits will be equal to or greater than the administrative fee set forth in Section 2 of this Agreement.
 2. Should savings generated in the stated categories total less than the administrative fee set forth in Section 2 of this Agreement, DDPOK will reimburse Plan Administrator the difference between the actual savings generated and the administrative fee set forth in Section 2 of this Agreement.
 3. Should savings generated in the stated categories exceed the administrative fee set forth in Section 2 of this Agreement, Plan Administrator will reimburse DDPOK an amount equal to one-half of the savings generated in excess of the administrative fee set forth in Section 2 of this Agreement, not to exceed a maximum administrative fee of Ten Percent (10%) of paid claims.
 4. Fifteen (15) months from the effective date of the Plan Agreement between DDPOK and Oklahoma County, DDPOK will compute the total savings generated in the stated categories during the first twelve (12) months of such Plan Agreement, at which time a settlement will be made.

5. A savings settlement covering any subsequent twelve (12) month contract period of this Agreement will occur at twelve (12) month intervals following the initial settlement. Such settlement(s) will be based on the guidelines set forth above or such other guidelines agreed to by Plan Administrator and DDPOK.

- L. To issue a Predetermination of Benefits regarding the Attending Dentist Statement when satisfied that the patient is eligible hereunder. Such predetermination by DDPOK shall be for a maximum period of three hundred sixty-five (365) days from the date of predetermination by DDPOK (one hundred eighty [180] days for periodontal procedures), but no longer than the period of this Agreement as stated in Section 6.
- M. To make no payments from the moneys received from the Plan Administrator for any services rendered to a patient who is not eligible at the time of rendition of the service, subject to the provisions of Section 3.I. and Section 5.F.
- N. To issue an Explanation of Benefits regarding services rendered an eligible person and make payment of that portion of the fee for which the Plan is liable in accordance with this Agreement. Such payment, together with the Eligible Person's or Eligible Dependent's portion of the fee required, shall discharge the claim of a Participating Dentist.

Section 5. General Provisions

- A. The provisions of this Agreement shall apply to the specified coverage and terms and conditions set forth in Appendix A attached to and forming a part of this Agreement.
- B. Neither the Plan Administrator nor DDPOK hereby undertakes to provide a Dentist to the Eligible Person or Eligible Dependent. Nothing contained in this Agreement shall be construed as obligating the Plan Administrator or DDPOK to render Dental Services.
- C. Participating Dentists are independent contractors and neither the Plan Administrator nor DDPOK shall be liable for any act or omission of any Participating Dentist, his or her employees or agents, or any person furnishing dental or other professional services.
- D. By performing or receiving services under this Agreement, all dentists and all patients are bound by its terms.
- E. Clerical errors or delays in keeping or relating data relative to coverage shall not invalidate coverage which otherwise would be validly in force, nor continue coverage which would otherwise be validly terminated. Upon discovery of such errors or delays, an equitable adjustment of charges shall be made.
- F. Should Plan Administrator fail to properly notify DDPOK of an Eligible Person's or Eligible Dependent's termination of eligibility, as provided in Section 3.A. of this Agreement, DDPOK request(s) for reimbursement of claims payments made to dentist(s) or Eligible Person for services rendered after termination of eligibility shall first be made to the party to whom payment was issued.
- G. The Plan Administrator assumes the legal role as the program fiduciary. For purposes of this Agreement, DDPOK shall have the right to determine the amount of Benefits, if any, payable from the Plan Administrator's funds on behalf of a Covered Person. Such determination shall be based on provisions of this Agreement, including Appendix A attached to and forming a part of this Agreement. Notwithstanding any claims decision by DDPOK, Plan Administrator shall have the absolute right to review any and all claims decisions (including both payment and denial of claims) and overrule any and all such decisions, on a case-by-case basis, in Plan Administrator's sole discretion in its role as fiduciary.

H. Claim and Appeal Processing and Procedures.

1. Emergency Care.

This Plan does not require any preauthorization for any dental services (including emergency care); however, said services are subject to the plan's specific limitations, non-covered charges, deductibles, and co-payment amounts, as well as any charges over the plan maximum as defined in Appendix A.

2. Request for Predetermination of Benefits.

If the cost estimate of a dental procedure is more than Two Hundred Fifty Dollars (\$250) and the treatment is not emergency care, the dentist can determine the treatment needed and submit a treatment plan to DDPOK for predetermination of Benefits. This procedure will enable a Subscriber, dependent, or Beneficiary and the dentist to know in advance of treatment what services are covered, how much of the cost will be paid by this Plan, and how much of the cost will be the responsibility of the Covered Person or Beneficiary.

The Predetermination of Benefits is only an estimate and not a guarantee of payment. The patient must be eligible for Benefits at the time services are actually rendered, and the procedure must be a Covered Service on the date of service.

3. Filing a Claim.

Whether the Covered Person is treated by a dentist who is a Delta Dental participating dentist, or is not a Delta Dental participating dentist, the filing forms and procedures shall be the same, as defined in the Claim and Appeal Procedure.

Once treatment is completed, the Covered Person or designated personnel in a dental office must complete the information portion of the claim form with the Subscriber's full name, Subscriber's social security number or member ID, the name and date of birth of the person receiving dental care, and the group name and number.

All claims must be submitted to Delta Dental Plan of Oklahoma at the assigned address.

The Plan is not obligated to pay any claim submitted later than twelve (12) months following the date of service.

Participants and beneficiaries can obtain from DDPOK, without charge, the necessary claim filing forms.

4. Explanation of Benefits.

Once DDPOK has received the claim form, and all necessary information, a copy of an Explanation of Benefits will be sent to the Subscriber by DDPOK within a reasonable time, but no later than thirty (30) days after receipt of a claim. DDPOK may extend this time period one time up to fifteen (15) days, prior to the expiration of the thirty (30) day period. If DDPOK requires additional information necessary to decide the claim, the notice of extension shall

specifically describe the required information, and the Subscriber will be given forty-five (45) days from receipt of the notice within which to provide the necessary information.

Note: If the 'Patient Pay' amount on an Explanation of Benefits is zero dollars and cents (\$0.00), the Explanation of Benefits will not be mailed to the Subscriber, Dependent, or other plan Beneficiary unless DDPOK is requesting additional information to finalize the claim.

5. Benefits, Limitations and Exclusions.

Under the Delta Dental participating agreements with participating dentists, benefit claims are reimbursed based on the lesser of the dentist's submitted fee for his or her services or the maximum allowable amount for participating dentists. Participating dentists accept the amount that Delta Dental determines to be the maximum allowable amount as payment in full. Covered Persons or beneficiaries are responsible only for any non-covered charges, deductible and co-payment amounts, and any charges over the Plan Benefit Maximum. The Plan shall be the governing policy of all claims and appeals, which shall be administered in accordance with Appendix A.

Each Covered Person or Beneficiary, agrees to all benefit terms and conditions, limitations and exclusions, and other Plan benefit conditions as found herein and in Appendix A. Appendix A defines substantially all of the benefit claims, limitations and exclusions utilized in the ordinary course of business. In order to be apprised of the current, complete benefit limitations and exclusions for this Plan, please contact Delta Dental Plan of Oklahoma, Customer Service Department, P.O. Box 54709, Oklahoma City, Oklahoma 73154.

If a Covered Person obtains treatment from a dentist who has not signed a participating agreement with Delta Dental, any benefit payment will be paid directly to the Subscriber, or to other participant if required by law, and will be based on the dentist's submitted fee for his or her service or the Prevailing Fee, whichever is less. Each Covered Person is responsible for paying the dentist and for filing their own claims.

All claims shall be evaluated, reviewed and paid in accordance with this Plan Agreement and Appendix A, subject to Plan Administrator's absolute right to review any and all claims decisions including both payment and denial of claims and overrule any and all such decisions, on a case-by-case basis, in Plan Administrator's sole discretion in its role as fiduciary.

All deductibles, maximum benefit payments, and covered classes of benefit services as applicable to this Plan Agreement are defined in Appendix A.

6. Appeal of Claim Determination.

DDPOK, or a designee, shall have the right to resolve any questions concerning dental services or treatment which may arise hereunder and any such determination made in good faith shall be binding upon all parties, subject to legal recourse in a court of competent jurisdiction and/or Plan Administrator's right to review any and all claims decisions (including both payment and denial of claims) and overrule any and all such decisions, on a case-by-case basis, in Plan Administrator's sole discretion in its role as fiduciary. In the event of the Plan Administrator

overruling the decision of DDPOK, or any other party, in the appeal process, the Plan Administrator will issue a written directive to DDPOK as to adjudication to be made by DDPOK. No action at suit of law or equity shall be commenced upon or under this Agreement until thirty (30) days after notice of claim has been given to DDPOK, nor shall action be brought at all later than three (3) years after such claim has arisen.

- I. DDPOK shall have no liability under this Agreement for Benefits required to be paid from the Plan Administrator's funds. The Plan Administrator shall have no liability for Benefits required to be paid from DDPOK funds. It is agreed that the Benefits paid from the funds of the Plan Administrator and DDPOK are, and shall be, mutually exclusive.
- J. Each party shall notify the other of any third party claims coming to its attention that could result in a claim for indemnification by the other party under Section 3 or Section 4 of this Agreement. The other party may, by waiving all its rights to contest indemnifying the notifying party for any potential loss, damage, or expense resulting from such claim, direct and control the resolution of such claim by litigation or otherwise, including full power to settle such claim in a commercially reasonable manner; provided, however, that the notifying party shall have the right to participate in resolution of the claim, at its own expense, by selecting co-counsel.
- K. - M. A copy of any materials published or distributed by Plan Administrator concerning this Agreement and the Benefits hereunder shall be furnished to DDPOK.

- N. None of the provisions of this Agreement are intended to create nor shall be deemed or construed to create any relationship between the Plan Administrator and DDPOK other than that of independent contractors.
- O. All statements made by the Plan Administrator, DDPOK, or by an individual shall be deemed representations and not warranties. No such statement shall be used in defense to a claim under this Plan unless it is contained in a written application.
- P. No agent or employee of DDPOK has the authority to change this Agreement or its provisions. This Plan may, at any time, be amended and changed by written agreement between legally authorized representatives of the Plan Administrator and DDPOK. Any such amendment shall be binding on all Eligible Persons and Eligible Dependents regardless of the date their coverage became effective under the Plan.
- Q. Neither party to this Agreement may transfer or assign its interest herein without the prior written consent of the other party, and any attempt to transfer or assign this Agreement without prior written consent of the other party shall automatically terminate all rights hereunder.
- R. The individuals who sign the Agreement are authorized to do so on behalf of Plan Administrator and DDPOK, respectively.
- S. Any provision in this Agreement that, on its effective date, is in conflict with the statutes of the state of Oklahoma, or with the statutes of the state in which the Eligible Person or Eligible Dependent resides, is hereby amended to the minimum requirement of such statute. Any provision in this Agreement that would be invalidated by such statute(s) shall be deleted and the balance of the Agreement shall remain in full force and effect.

Each party to this Agreement chooses the state of Oklahoma as its forum for any suit or other action that may be filed to enforce all or any part of this Agreement or for damages arising, directly or indirectly, from it.
- U. Failure by the Plan Administrator or DDPOK to insist upon strict compliance with any term of this Agreement, or any applicable statutes, rules, or regulations, shall not constitute a waiver of such term, statute, rule, or regulation by the Plan Administrator or DDPOK.
- V. This Agreement, including Appendix A attached to and forming a part hereof, constitutes the entire understanding between the parties hereto and no changes, amendments, or alterations shall be effective unless agreed to in writing by the party to this agreement affected by any such change, amendment, or alteration.
- W. This Agreement shall be executed in multiple counterparts, each of which shall be deemed an original.
- X. DDPOK shall maintain records of all transactions relating to this Agreement for the duration required by law. Such records shall remain accessible for audit by Plan Administrator's designated

From time to time, a Subscriber may receive from DDPOK and its authorized service providers unencrypted email messages containing notifications, reminders, tips, and links to surveys and information related to his/her dental Benefits for treatment, payment, and healthcare operations purposes. These email messages may include protected health information, and because these email messages are unencrypted, there is some risk the messages could be read by someone other than the Subscriber. Therefore, DDPOK will obtain a Subscriber's consent to receive unencrypted email messages prior to transmission of such. A Subscriber is not required to provide his/her consent; once given, the consent may be rescinded in the future; and DDPOK will not condition eligibility for Benefits, treatment, enrollment, or payment of claims on whether the Subscriber provides his/her consent.

Section 6. Term and Termination

- A. This Agreement shall remain in full force and effect through June 30, 2025. The parties understand and agree that this Agreement may not be automatically renewed, however, the parties may agree to contract for successive one-year terms, or for such shorter term(s) as the parties agree, with any amendments thereto, but such re-contracting must be approved each year by the Board of County Commissioners of Oklahoma County. Plan Administrator agrees to notify DDPOK, in writing, on or before the anniversary date of this Agreement, of intent to contract with DDPOK for a successive one-year term or for such shorter term as the parties agree. Anniversary Date shall mean July 1, 2025.

In the event that DDPOK determines a change in the administrative fee, benefit design, and/or other terms of this Agreement are necessary effective on the Anniversary Date, advice of such proposed changes must be given to the Plan Administrator, in writing, no less than ninety (90) days prior to such Anniversary Date. Should Plan Administrator and DDPOK agree to contract for a successive

one-year term, or for such shorter term as the parties agree, the plan agreement for such successive term shall be issued and mailed to the Plan Administrator at least forty-five (45) days in advance of the Anniversary Date of this Agreement.

- B. This Agreement shall automatically terminate as of the earliest of the following dates:
 - 1. The date on which the Plan Administrator shall not have made funds available for the payment of all Benefits required to be paid from its funds in accordance with this Agreement; or
 - 2. The date on which the Plan Administrator discontinues payment of the monthly administrative fee.
- C. If either party otherwise fails to observe or perform any of its obligations under this Agreement and if the failure continues for a period of thirty (30) days after written notice thereof to the defaulting party, then without prejudice to any other rights or remedies the other party may have, this Agreement will terminate as of the expiration date of the notice period.
- D. Either party may immediately suspend all or any part of its obligations under this Agreement and/or immediately terminate this Agreement upon written notice if the other party becomes or is declared insolvent or bankrupt or becomes the subject of any proceedings related to its liquidation, insolvency, or for the appointment of a receiver or similar officer for it. Any such suspension of performance will not be a breach of this Agreement and will not affect the suspending party's right to pursue or enforce any rights under this Agreement or otherwise.
- E. In the event of contract termination:
 - 1. Adjudication and payment of claims incurred after midnight on the termination date shall be the sole responsibility of the Plan Administrator.
 - 2. Adjudication and payment of claims incurred during the existence of this Agreement but received by DDPOK after the date of termination shall also be the responsibility of Plan Administrator. Upon separate agreement between DDPOK and Plan Administrator, which may take the form of a letter, e-mail, or facsimile, DDPOK shall continue adjudication and payment of claims incurred prior to the termination date of this Agreement and submitted to DDPOK within twelve (12) months following the termination date of this Agreement, subject to payment to DDPOK by the Plan Administrator as follows:
 - a. The terms of Plan Administrator's payment of administrative fee and reimbursement of claims paid shall be the same during the twelve (12) months following the termination date of this Agreement as the terms of such Agreement during its existence.
 - b. DDPOK shall have no further obligation or liability to adjudicate or pay claims under this provision should Plan Administrator fail to remit payment as provided herein.
 - 3. In no event will claims be adjudicated or paid by DDPOK if received later than twelve (12) months following the termination date of this Agreement.

- F. This Agreement supersedes any prior Agreement between the Plan Administrator and DDPOK and shall continue until termination; provided, however, the obligations of the parties shall survive termination to the extent necessary to effect the intent of the parties as herein expressed. No modification, amendment, or assignment of this Agreement shall be valid unless made in writing and executed by authorized officers of the Plan Administrator and DDPOK.

Section 7. Force Majeure

It is expressly understood by both parties that Oklahoma County shall be relieved of any liability in the event that a part of this agreement cannot be performed due to causes which are outside the control of the parties and could not be avoided by exercise of due care.

IN WITNESS HEREOF, Oklahoma County and DDPOK have caused this Agreement to be executed, as evidenced by the affixing of their authorized signatures and those of the Board of County Commissioners of Oklahoma County on the following signature page of this Agreement.

- a. An active, full-time Employee enrolled in the Plan Sponsor's group medical plan and scheduled to work at least thirty (30) hours per week in the employ of the Participating Employer and compensated by the Participating Employer for personal services rendered for the Participating Employer. For the purposes of this provision, the term week shall mean any period of seven consecutive days, which need not be the same as a calendar week, during which the Employee works thirty (30) hours, except law enforcement hours which may be based on any allowable "work period" under the FSLA such as a twenty-eight (28) consecutive day period of one hundred seventy-one (171) total hours. Service with any Participating Employer is counted for all purposes.
 - b. A retired employee who is enrolled in the Plan Sponsor's group medical plan and who was, at the time of his or her retirement, an active, full-time Employee.
2. The date the Employee becomes eligible is the first of the month following sixty (60) days of continuous, full-time employment. An exception to the sixty (60) day waiting period is made for (a) a full-time Employee coming directly to the employ of a Participating Employer without a lapse in coverage under the Participating Employer Health and Dental Benefits Plan; or (b) a full-time Employee coming directly to the employ of a Participating Employer from other full-time governmental service within the State of Oklahoma, without a break in employment and for elected officials. For purposes of this exception, "without a break in employment" shall be defined as employment which begins at Oklahoma County or a Participating Employer within six (6) months of said employee's departure from the previous full-time governmental service.
3. A person may not be simultaneously covered under the Plan as both an Employee and a Dependent.

B. ELIGIBLE DEPENDENT

1. Eligible Dependent is defined as:

- a. The Eligible Person's lawful spouse.
- b. The Eligible Person's natural (biological) child.
- c. The Eligible Person's child by legal adoption or placement for adoption, guardianship, marriage (stepchildren), or foster care placement (foster child).
- d. A child on whose behalf a Qualified Medical Child Support Order (QMCSO) has been issued.

2. The limiting age for a Dependent child is:

 - b. An Eligible Person's unmarried dependent child who is incapable of self-support because of a physical or mental incapacity is eligible to continue coverage under the Plan as a dependent after reaching age twenty-six (26), provided he or she is chiefly dependent on the Eligible Person for support and a physician's certificate is received by DDPOK within six (6) months of said incapacity, the effective date of the Plan Agreement, the effective date of said dependent child's coverage, or the date on which said dependent child's coverage would otherwise terminate due to said dependent child attaining the maximum age for dependent children coverage, whichever is later.
 - c. The Plan Administrator reserves the right to request verification of a Dependent child's age, dependency, and/or status as a disabled Dependent child upon initial enrollment and from time to time thereafter as the Plan may require.

C. EFFECTIVE DATE

1. If a person is an Eligible Person on the Plan Effective Date and their application for Employee Only or Family Coverage is received by the Plan Administrator at that time, the Effective Date is the Plan Effective Date.
2. If a person becomes an Eligible Person after the Plan Effective Date and their application for Employee Only or Family Coverage is received by the Plan Administrator within thirty-one (31) days of eligibility, the Effective Date of coverage will be the first of the month following Plan Administrator approval of the completed application..
3. An Eligible Person can change from Employee Only coverage to Family Coverage if application is received by the Plan Administrator within thirty-one (31) days after the Eligible Person acquires an Eligible Dependent. The Effective Date of coverage for the Eligible Dependent will be the first of the month following Plan Administrator approval of the completed application.
4. An Eligible Person with Family Coverage can add additional Eligible Dependents if application is received by the Plan Administrator within thirty-one (31) days after the Eligible Person acquires the additional Eligible Dependent. The Effective Date of coverage for the additional Eligible Dependent will be the first of the month following Plan Administrator approval of the completed application.
5. A child under a Qualified Medical Child Support Order (QMCSO) may be added to an Eligible Person's coverage provided the Plan Administrator receives the Medical Child Support Order (MCSO) within thirty-one (31) days of the date it is issued and such MCSO is determined by the Plan Administrator to be a QMCSO. The Effective Date for such child will be the date ordered by the court.
6. An adopted child may be added to an Eligible Person's coverage provided application to add the child is received by the Plan Administrator within thirty-one (31) days of the date the child is

placed in the Eligible Person's custody. The Effective Date for the child will be the first of the month following Plan Administrator approval of the completed application.

7. An Employee can change from Family Coverage to Employee Only coverage upon Eligible Dependent(s) acquiring coverage elsewhere. The change will be effective the first of the month following Plan Administrator receipt and approval of the completed application.
8. An Employee can change from Family Coverage to Employee Only coverage if Eligible Dependents lose dependency status under this Plan. The change will be effective the first of the month immediately following the month in which Eligible Dependents lose dependency status.
9. If the Participant's written request to add an eligible dependent is received later than the thirty-one (31) day period following the Participant's acquiring such dependent or after a previous termination of coverage, he/she must complete a "Service Request and Beneficiary Change/Group Evidence of Insurability" form provided by the Plan Administrator, showing good health of the dependent satisfactory to the Plan Administrator, before the dependent can become covered. The Employee shall also be required to submit a "Change in Family Status" form, which must meet the approval of the Plan Administrator. If such evidence is satisfactory, the dependent shall become covered the first of the month following the date the application is approved.
10. A newborn dependent child will be covered from the date of birth if the coverage is requested within the thirty-one (31) days immediately following the date of birth. The Employee shall also be required to submit a "Change in Family Status" form, which must meet the approval of the Plan Administrator. The Participant must pay any required contributions for the dependent's coverage.
11. A newly acquired Eligible Dependent of a Participant may be enrolled in this Plan without showing Evidence of Insurability, if the Participant submits a written application within the thirty-one (31) day period after the dependent is acquired, as set forth above.
12. The Plan shall not be obligated to pay any claim for any new dependent until notice of such dependent has been received and, if applicable, approved by the Plan. If such notice is received after the thirty-one (31) day period, any application is subject to provisions of the paragraph 9 above.
13. If a dependent (other than a Covered Newborn of a Participant with dependent coverage) is disabled on the effective date of his or her coverage under this Plan, so as to be unable to perform substantially all of the normal activities of a person of like sex and age in good health, the effective date for that dependent will be deferred until a period of at least thirty-one (31) consecutive days has passed or when satisfactory evidence of good health is approved.

D. COVERAGE UNDER A QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMC SO)

If the Plan Administrator receives a court order to provide medical and/or dental coverage for a qualified Employee's dependent child, the Plan Administrator must notify the Employee and determine if the child is eligible for coverage under this group plan. Eligibility determinations will be made in accordance with

federal and/or state child support order laws and regulations. The Employee will be responsible for any contributions required under this plan.

The coverage provided in accordance with a qualified medical child support order will be effective as of the date of the child support order and subject to all provisions of the plan except:

1. A qualified dependent may be covered without personal coverage in effect under the group plan.
2. In addition to the reasons for termination of coverage shown in the Termination of Coverage provision, the coverage required by a qualified medical child support order will cease on the earlier of the date the support order expires or the date the dependent is enrolled for similar coverage.

Under this provision, if covered expenses for a dependent child are paid by a custodial parent or legal guardian who is not a plan member, benefits payable will be remitted directly to the custodial parent or legal guardian rather than the plan member or eligible employee. A custodial parent or legal guardian may also sign claim form and assign plan benefits, if assignable.

Any child of a Plan Participant who is an alternate recipient under a qualified medical child support order shall be considered as having a right to Dependent coverage under this Plan, with no Pre-existing Conditions provisions applied.

E. CONTINUATION COVERAGE (COBRA)

1. Eligibility for Continuation Coverage

When a Qualifying Event occurs, eligibility under this Plan shall continue for the Eligible Person and/or his or her Eligible Dependents who were covered on the date of the Qualifying Event for a period not to exceed:

The person must give notice of the disability determination to the Employer before the end of the initial eighteen (18) month Continuation Coverage period, and no later than sixty (60) days after the date of the Social Security Administration's determination. In addition, the person must notify the Employer within thirty (30) days after the Social Security Administration makes a determination that he or she is no longer disabled.

4. Notification of Continuation Coverage

- a. The Eligible Person or Eligible Dependent must notify the Plan Administrator within sixty (60) days from the date of the Qualifying Event of their eligibility for Continuation Coverage.
- b. The Employer or its designated agent shall, within forty-four (44) days after receiving notification from the Eligible Person or Eligible Dependent that a Qualifying Event has occurred, notify the Eligible Person and/or Eligible Dependent of his or her right to elect Continuation Coverage.
- c. In the event an Eligible Person or Eligible Dependent elects Continuation Coverage after the Qualifying Event, the Employer shall permit payment of dues for such Continuation Coverage during the period preceding the election to be made within forty-five (45) days of the date of the election.

5. Maximum Continuation Period for Dependents

In no event will a Dependent be entitled to continue coverage under the Plan under this Continuation Coverage provision for more than thirty-six (36) months from the date of the event that first entitled him or her to Continuation Coverage.

F. CONTINUATION OF COVERAGE (OTHER THAN COBRA)

An Eligible Person may continue coverage during a leave of absence covered by the Family and Medical Leave Act (FMLA).

G. TERMINATION OF ELIGIBILITY AND/OR COVERAGE

When a Covered Person ceases to be an Eligible Person or Eligible Dependent, coverage for such person will terminate at 11:59:59 p.m. (CT) on the last day of the month in which such person ceases to be eligible for coverage under the Plan.

2. In the case of a person covered under the Continuation Coverage provisions of the Plan, coverage shall cease on the earliest to occur of the following dates:

 - d. The date on which coverage ceases because of a person's failure to make timely payment to the Employer of any dues required for the Continuation Coverage;

 - f. The date on which the person becomes entitled to Benefits under Medicare;
 - g. On the last day for which the last payment has been made if the Plan Administrator fails to make payment to DDPOK;

SECTION 5 - COORDINATION OF BENEFITS (COB)

If an Eligible Person or Eligible Dependent is covered for Dental Services or Benefits by another third party provider's contract, arrangement, or insurance carrier, the Plan's liability for payment will be determined as follows:

- A. A plan with no rules for coordination with other Benefits will be deemed to pay its Benefits before a plan that contains such rules.
- B. A Plan that covers the person other than as a Dependent will be deemed to pay its Benefits before a plan that covers the person as a Dependent.
- C. A Plan that covers the person as a Dependent of a person whose birthday comes first in a Calendar Year will be primary to the Plan that covers the person as a Dependent of a person whose birthday comes later in that Calendar Year. If a Plan does not have this provision regarding birthdays, the rule set forth in that Plan will determine the order of Benefits. If the person for whom claim is made is a Dependent child and the parents are separated or divorced:
 - 1. If there is a court decree which would establish financial responsibility for the medical, dental, or other health care expenses with respect to the child, the Benefits of a Plan which covers the child as a Dependent of the parent with such financial responsibility shall be determined before the Benefits of any other Plan which covers the child as a Dependent child.
 - 2. If there is not a court decree which would establish financial responsibility for the medical, dental, or other health care expenses with respect to the child:
 - a. If the custodial parent has not remarried, the Benefits of a Plan which covers the child as a Dependent of the custodial parent will be determined before the Benefits of a Plan which covers the child as a Dependent of the noncustodial parent.
 - b. If the custodial parent has remarried, the Benefits of a Plan that covers the child as a Dependent of the custodial parent shall be determined before the Benefits of a Plan which covers that child as a Dependent of the stepparent or the noncustodial parent. The Benefits of a Plan which covers that child as a Dependent of the stepparent will be determined before the Benefits of a Plan which covers that child as a Dependent of the noncustodial parent.
- D. If A., B., and/or C. above do not establish an order of payment, the Plan under which the person has been covered for the longest period of time will be deemed to pay its Benefits first, except that:
 - 1. The Benefits of a Plan that covers the person as a laid-off or retired Employee, or as a Dependent of such person, pays after the contract which covers such person as other than a laid-off or retired Employee, or a Dependent of such person.
 - 2. If either plan does not have a provision regarding laid-off or retired Employees and, as a result, each plan determined its Benefits after the other, the paragraph immediately preceding will not apply.

SECTION 6 - GENERAL PROVISIONS

A. COVERED PERSON/DENTIST RELATIONSHIP

1. The choice of a Dentist is solely the Covered Person's.
2. The Plan does not hereby undertake to provide a Dentist to the Eligible Person or Eligible Dependent. Nothing contained in this Plan Agreement shall be construed as obligating the Plan to render Dental Services; its obligation being to make payment for Covered Services received by Covered Persons.
3. Dentists are independent contractors and neither the Plan Administrator nor DDPOK shall be liable for any act or omission of any Dentist, his or her Employees or agents, or any person furnishing dental or other professional services under this Plan.
4. The use or nonuse of an adjective such as "Participating" or "Nonparticipating" in modifying the term "Dentist" is not a statement or warranty as to the professional competency or the ability of the Dentist.
5. The Plan has no responsibility for a Dentist's failure or refusal to render services to a Covered Person.

B. BENEFITS TO WHICH COVERED PERSONS ARE ENTITLED

1. The liability of the Plan is limited to the Benefits for Covered Services specified in this Appendix A.
2. No person other than a Covered Person is entitled to receive Benefits under this Plan. Any right to Benefits and coverage is not transferable.
3. Benefits shall not include treatments or procedures in excess of that which is determined by DDPOK to be reasonable and proper treatment or procedures not done in accordance with accepted professional standards of dentistry.

C. AMENDMENT, ALTERATION, OR TERMINATION OF THE PLAN

1. The Plan, or any specific Benefit under the Plan, in whole or in part, may be terminated, suspended, withdrawn, amended, or modified by agreement between Plan Administrator and DDPOK. Any such termination, suspension, withdrawal, amendment, or modification shall be binding on all Covered Persons regardless of the date their coverage became effective. The Plan Administrator does not promise the continuation of any dental Benefits nor does it promise any specific level of Benefits at or during retirement.
2. All statements made by the Plan Administrator, DDPOK, or by an individual shall be deemed representations and not warranties. No such statement shall be used in defense to a claim under this Plan unless it is contained in a written application.

3. No agent or employee of Delta Dental has the authority to change the Plan or its provisions. No change in the Plan shall be valid unless approved by the Plan Administrator and DDPOK.

D. PREDETERMINATION OF BENEFITS

Predetermination of Benefits should be requested if the cost of the recommended treatment Plan exceeds Two Hundred Fifty Dollars (\$250). DDPOK will issue an estimate of benefits regarding the Attending Dentist Statement (claim form) when satisfied that the patient is eligible for Benefits. The Predetermination will be for a maximum period of three hundred sixty-five (365) days from the date of Predetermination by DDPOK (one hundred eighty [180] days for Periodontal procedures), but not longer than the period this Plan is in effect.

E. PAYMENT OF BENEFITS

1. DDPOK is authorized by the Plan and the Covered Person to make payments directly to Dentists furnishing services for which Benefits are provided. However, DDPOK reserves the right to make payments directly to the Covered Person.
2. Once Covered Services are rendered by a Dentist, DDPOK will not honor Covered Persons' requests not to pay the claims submitted by the Dentist. DDPOK will have no liability to any person because of its rejection of the request.
3. Anytime an Eligible Person or dentist files a claim, the Eligible Person will receive a form called an Explanation of Benefits (EOB) from DDPOK within a reasonable time, but no later than thirty (30) days after receipt of a claim. DDPOK may extend this time period one time up to fifteen (15) days, prior to the expiration of the thirty (30) day period. If DDPOK requires additional information necessary to decide the claim, the notice of extension shall specifically describe the required information, and the Eligible Person will be given forty-five (45) days from receipt of the notice within which to provide the necessary information.
4. DDPOK will make payment of that portion of the fee for which the Plan is liable in accordance with this Appendix A and such uniform policies and procedures as are deemed proper by the Board of Directors of DDPOK and the Plan Administrator. Payment for Covered Services shall be as follows:
 - a. If a Delta Dental PPO Participating Dentist provides covered treatment, the Plan will pay its Benefits to the Dentist at the applicable Percentage of the Allowable Charge specified in the Schedule of Benefits in this Appendix A. Such payment of Benefits shall be based on the Dentist's submitted fee for his or her service or the maximum allowable amount for Delta Dental PPO Participating Dentists, whichever is less. Payment of Benefits will be subject to any applicable Covered Person's Co-payment, Deductible, and/or Maximum Benefit Payment. The Plan's payment, together with the Covered Person's portion of the fee required, shall discharge the claim of a Delta Dental PPO Participating Dentist.
 - b. If a Delta Dental Premier Participating Dentist provides covered treatment, the Plan will pay its Benefits to the Dentist at the applicable Percentage of the Allowable Charge specified in the Schedule of Benefits in this Appendix A. Such payment of Benefits shall be based on the Dentist's submitted fee for his or her service or the maximum allowable amount for Delta

Dental Premier Participating Dentists, whichever is less. Payment of Benefits will be subject to any applicable Covered Person's Co-payment, Deductible, and/or Maximum Benefit Payment. The Plan's payment, together with the Covered Person's portion of the fee required, shall discharge the claim of a Delta Dental Premier Participating Dentist.

- c. If Covered Services are provided by a Dentist who has not signed a participating agreement with Delta Dental, the Plan will pay its Benefits directly to the Eligible Person, or to other participant or Beneficiary as required by law, at the applicable Percentage of the Allowable Charge specified in the Schedule of Benefits in this Appendix A. Such payment of Benefits shall be based on the Dentist's submitted fee for his or her service or the Prevailing Fee in the geographic area in which services are rendered, whichever is less. The Eligible Person shall be responsible for paying the Nonparticipating Dentist both the payment received from the Plan and any portion of the Nonparticipating Dentist's fee not discharged by such payment.
5. State courts can rule that Benefits may be paid to someone other than the Eligible Person or the Eligible Person's named Beneficiary, according to a Qualified Domestic Relations Order (QDRO). The QDRO must relate to child support, alimony payment or marital property rights.

In the event of a Participant receiving a QDRO, the Participant must obtain a copy of the Medical Support Notice form, supplied by either Plan Administrator or DDPOK. This Notice form, with a copy of the QDRO, must be submitted to the Plan Administrator. The Plan Administrator shall take the necessary steps to ensure compliance with said QDRO.

6. DDPOK or its designee shall have the right to resolve any questions concerning Dental Services or treatment which may arise under the Plan and any such determination made in good faith shall be binding upon all parties, unless within one hundred eighty (180) days after receipt of a notice of denial, an Eligible Person or Dentist may make a written request for review of such denial by addressing the request to Delta Dental Plan of Oklahoma, P.O. Box 54709, Oklahoma City, Oklahoma 73154, stating the reason(s) re-evaluation of the denial is being requested. The Eligible Person or Dentist may submit written comments, documents, records, and other information relating to the claim for Benefits. An Eligible Person may request reasonable access to and, at no charge, copies of all documents, records, and other information relevant to his or her claim for Benefits. All requests for review of denials shall be made taking into account all comments, documents, records, and other information submitted by the Eligible Person relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

DDPOK shall make a full and fair review of each request for re-evaluation and may require additional documents as it deems necessary or desirable in making such a review. The Eligible Person shall receive a decision on his or her initial request for a review, in writing, within thirty (30) days after DDPOK receives the request.

If the Eligible Person wishes to have the initial review determination appealed further, the Eligible Person must make a written request for a second review of the denial by addressing the request to Oklahoma County Benefits and Retirement Department, 320 Robert S. Kerr, Room 220, Oklahoma City, Oklahoma, 73102, stating the reason(s) re-evaluation of the denial is being

requested. The Eligible Person shall receive a decision on his or her second request for a review, in writing, within sixty (60) days after the Oklahoma County Budget Board receives the request.

In the event of the Plan Administrator overruling the decision of DDPOK, or any other party, in the appeal process, the Plan Administrator will issue a written directive to DDPOK as to adjudication to be made DDPOK.

Any notice required or permitted to be given by the Plan Administrator or DDPOK hereunder shall be deemed to have been duly given if: (1) in writing and personally delivered; (2) in writing and electronically delivered; or (3) in writing and deposited in the United States mail with postage prepaid, addressed to the Plan Administrator or DDPOK at the address listed below. In consideration of waiving physical examination of an Eligible Person or Eligible Dependent and as a condition precedent to the approval of claims hereunder, DDPOK shall be entitled to receive from any attending or examining Dentist, or from any facility in which a Dentist's care is rendered, such information and records relating to attendance to or examination of any Covered Person required in the administration of such claim, provided, however, that DDPOK shall, in every case, preserve the confidentiality of such information except as is necessary for the proper administration of the Plan.

H. LIMITATION OF ACTION

No action at suit of law or equity shall be commenced upon or under this Plan until thirty (30) days after notice of claim has been given to DDPOK, nor shall action be brought at all later than three (3) years after such claim has arisen.

I. POWERS OF PLAN ADMINISTRATOR

1. If any section, word, term, or phrase in the Plan is deemed to be ambiguous, it shall be the responsibility of the Plan Administrator to define same.
2. If any provision in the Plan is, on its effective date, in conflict with the statutes of the state in which the Covered Person resides, it is hereby agreed by the Plan Administrator that the intent is for the provision to be amended to the minimum requirement of such statute.
3. Plan Administrator assumes the legal role as the Plan's fiduciary. For purposes of the Plan, DDPOK shall have the right to determine the amount of Benefits, if any, payable from the Plan's funds on behalf of a Covered Person. Such determination shall be based on provisions of the Plan. Notwithstanding any claims decision by DDPOK, the Plan Administrator shall have the absolute right to review any and all claims decisions (including both payment and denial of
