Re: Temporary Appropriations for 2024-25

**Resolution to Approve Legal Appropriations for General Fund,
Building Fund, and Child Nutrition Fund:**

The board must approve a resolution to establish a temporary appropriation for fiscal year 2024-25. The resolution is submitted to the Oklahoma County Excise Board and authorizes the district to expend funds for the new fiscal year until the Estimate of Needs is filed and the legal appropriations are set for the year. The temporary appropriations for the 2024-25 fiscal year are established at 100% of the 2023-24 legal appropriations.

The temporary appropriations requested for FY 2024-25 are as indicated:

	<u>2023-24 Legal Appropriations</u>	<u>2024-25 Temporary Appropriations</u>
General Fund:	\$276,447,409	\$276,447,409
Building Fund:	\$26,557,017	\$26,557,017
Child Nutrition:	\$15,905,573	\$15,905,573

Approved by Edmond Board of Education on 6-3-2024.
