

**LABORATORY SERVICES AGREEMENT
(Correctional Facility)**

THIS AGREEMENT ("Agreement"), effective this 1st day of October, 2024 ("Effective Date") is by and between **Diagnostic Laboratory of Oklahoma, L.L.C.** ("DLO") and **Oklahoma County Detention Center** ("Correctional Facility").

WITNESSETH:

WHEREAS, Correctional Facility desires to engage DLO to perform certain clinical laboratory services for Correctional Facility and Correctional Facility's inmates, and DLO desires, pursuant to the terms and conditions set forth herein, to provide such services.

NOW THEREFORE, in consideration of the foregoing premises and mutual promises herein contained, and intending to be bound legally hereby, Correctional Facility and DLO agree as follows:

1. SERVICES

- 1.1 DLO will provide Laboratory Testing Services for Correctional Facility pursuant to orders by persons who are authorized under state or federal law to order laboratory tests.
- 1.2 DLO will provide to Correctional Facility certain specimen collection supplies as part of its charges for its services hereunder to be used solely for the collection of specimens that are to be tested by DLO. Correctional Facility shall ensure that specimens referred to DLO are obtained in an appropriate container and in adequate quantity, are properly processed, and are properly packaged for transport.
- 1.3 DLO will provide courier service to pick up specimens to be tested by DLO from Correctional Facility
- 1.4 DLO will send reports back to Correctional Facility either in an electronic format, subject to the execution by the parties of the applicable DLO's connectivity agreement, or via courier.

2. COMPENSATION

- 2.1 DLO will invoice Correctional Facility in accordance with the specific needs of Correctional Facility at the fees set forth in **Attachment 1**. To the extent Correctional Facility orders a Laboratory Testing Service not listed on Attachment 1, DLO will perform such testing at DLO's list price.
- 2.2 Correctional Facility agrees to compensate DLO within thirty (30) days of the date of DLO invoices for Laboratory Services. Correctional Facility's obligation to pay for Laboratory Services rendered prior to termination of the Agreement shall survive termination of this Agreement.
- 2.3 Correctional Facility will provide DLO with all necessary information required by DLO to properly invoice and receive payment for Laboratory Testing Services. Correctional Facility will ensure that such billing information accompanies each specimen submitted for testing.
- 2.4 All pricing contained herein and attached hereto shall be in effect for one (1) year from the Effective Date. Thereafter, DLO reserves the right to increase such pricing at any time, but no more frequently than annually, upon thirty (30) days advance written notice to Correctional Facility.

3. RECORDS

If any services to be provided hereunder are federally funded, or otherwise subject to the requirements of the Department of Health and Human Services ("HHS"), until the expiration of four (4) years after the furnishing of Laboratory Services pursuant to this Agreement, DLO shall, upon written request, make available to the Secretary of HHS, the Comptroller General, or any of their duly authorized representatives, this Agreement, and any books, documents and records that are necessary to certify the nature and extent of the costs incurred by Correctional Facility under this Agreement. This provision will apply if the amount paid under this Agreement is \$10,000 or more over a twelve (12) month period. The availability of DLO's books, documents and records will at all times be subject to such criteria and procedures for seeking or obtaining access as may be promulgated by the Secretary of HHS in regulations, and other applicable laws. DLO's disclosure under this provision will not be construed as a waiver of any legal rights to which DLO or Correctional Facility may be entitled under statute or regulation.

4. TERM AND TERMINATION

- 4.1 The initial term of this Agreement shall commence on the Effective Date, continuing for one (1) year and thereafter continuing until terminated by either party. After the expiration of the initial one (1) year period, either party can terminate this Agreement at any time, with or without cause, upon thirty (30) days prior written notice to the other party.
- 4.2 Either party may terminate this Agreement at any time, with cause, by providing the other party with fifteen (15) days prior written notice of the cause for the termination, giving the breaching party fifteen (15) days to cure the breach. If not cured within the fifteen (15) day time period, then the Agreement will terminate immediately upon the breaching party's receipt of subsequent notice that the breach has not been cured and that the contract is terminated.
- 4.3 Either party may, upon written notice to the other party, immediately terminate this Agreement upon the occurrence of any of the following events: (i) The other party makes an assignment for the benefit of creditors; (ii) A petition in bankruptcy or any insolvency proceeding is filed by or against the other party and is not dismissed within thirty (30) days from the date of filing; or (iii) All or substantially all of the property of the other party is levied upon or sold in any judicial proceedings; or (iv) The other party is excluded from participating in any federally funded program; or (v) A loss of licensure by the other party that renders the other party unable to perform its obligations under this Agreement.
- 4.4 Upon termination of this Agreement, neither party shall have any further obligation with the exception of obligations accruing prior to the date of termination, such as: (i) Payment for Laboratory Services rendered prior to the termination of this Agreement at the rates set forth in this Agreement, (ii) Payment of Laboratory Services rendered after the termination of the Agreement shall be at DLO's billed charges, and (iii) Obligations, promises or covenants contained in this Agreement that expressly survive the termination of this Agreement.
- 4.5 If any Authority creates, enforces, interprets and/or implements laws, rules, regulations, or otherwise takes a position (or threatens to do so), that DLO is required to extend the pricing under this Agreement to any third party including, but not limited to, Medicare, Medicaid, or any other governmental program, DLO may: (i) Immediately terminate this Agreement, or (ii) Notify Correctional Facility of the occurrence of one of the foregoing events and increase the pricing under this Agreement to the pricing levels of any such governmental program, provided that if Correctional Facility notifies DLO of an objection to such increase in prices within ten (10) days of Correctional Facility's receipt of notice from DLO, this Agreement will terminate upon DLO receipt of Correctional Facility's notice. For purposes of this section, "Authority" shall include, but is not limited to, any court, legislative or authority body, and/or

any branch of state, federal or local government (e.g., the Office of Inspector General, Department of Justice, Department of Health and Human Services, Centers for Medicare and Medicaid Services, and/or any state Medicaid agency Department of Health Care Services). DLO may likewise immediately terminate this Agreement if it, in its sole discretion, determines that any portion of this Agreement may or does violate any law, rule, regulation or governmental policy, or any interpretation of any law, rule, regulation or governmental policy.

5. INSURANCE

DLO and Correctional Facility agree to maintain general and professional liability insurance in amounts adequate to cover their respective acts and omissions. The parties agree that such coverage shall be, at a minimum, \$1,000,000 per claim and \$3,000,000 aggregate and that the parties shall maintain such insurance (or "tail" coverage thereon) for a period of at least four (4) years after the termination of this Agreement. DLO and Correctional Facility agree to furnish each other upon request with a current and valid Certificate of Insurance, or proof of adequate self-insurance, evidencing their general liability and professional liability insurance coverage. The provisions of this section shall survive termination of this Agreement.

6. MISCELLANEOUS

6.1 It is understood that DLO and Correctional Facility are independent contractors engaged in the operation of their own respective businesses. Neither party has authority to enter into contracts or assume any obligations for or on behalf of the other party or to make any warranties or representations for or on behalf of the other party.

6.2 This Agreement shall not be assigned, delegated, or transferred by either party without the written consent of the other party, which consent shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, DLO may refer work to an affiliated testing facility or to subcontracted providers without prior written consent. In addition, Correctional Facility acknowledges that certain testing may be performed and billed directly to Correctional Facility by DLO affiliated testing laboratories. This Agreement is intended to inure only to the benefit of DLO and Correctional Facility.

6.3 This Agreement constitutes the entire Agreement between the parties, supersedes all prior agreements and understandings with regard to the subject matter hereof, and may only be modified in writing signed by both parties. No modification of this Agreement will have any force or effect unless such modification specifically indicates it is a modification of this Agreement, is in writing and signed by authorized representatives of both parties.

6.4 Any notice required to be given hereunder will be deemed to have been served properly, if mailed by certified or registered mail, postage prepaid (or Federal Express or equivalent courier), properly addressed and posted in a United States depository to the respective parties hereto at the following addresses:

6.5 The individuals signing this Agreement represent that they have the authority to sign this Agreement on behalf of the respective parties.

6.6 Each party represents and warrants that it has not been convicted of a crime related to healthcare or is not currently listed by a federal agency as debarred, excluded or otherwise ineligible for participation in federally funded programs (including, without limitation, federally funded healthcare programs, such as Medicare and Medicaid).

7. EXCLUSION OF INCIDENTAL/CONSEQUENTIAL/PUNITIVE DAMAGES

In no event shall either party or its respective officers, directors, employees, agents or affiliates be liable for any special, exemplary, incidental, consequential or punitive damages, whether in contract, warranty, tort, strict liability or otherwise. These limitations shall apply notwithstanding any failure of essential purpose of any limited remedy and shall survive termination of this Agreement. In the event of any dispute under this Agreement, the maximum liability of each party shall not exceed \$1,000,000.
