

Application Process Update:

Application process:

- Previous process was a paperwork application that had to be faxed, hand delivered or emailed to one point person.
- New Process – Paper application still available. Launching a new online version where the application can be processed through our Treatment court website.
- Sender will receive an email confirmation that application is received.
- Notifications on status of the application will be sent to the sender as the application moved through the process. Example: Application received, Offender screen received, formal application submitted.
- Final disposition will also be emailed. This could be approved or denied for the program.
