THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus. "It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties." **Special Revenue Funds , as required, to account for the proceeds of specific revenue sources that are restricted by law to expenditures for specified purposes.**

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus. "It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus. "It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus. "It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties." **Special Revenue Funds** , as required, to account for the proceeds of specific revenue sources that are restricted by law to expenditures for specified purposes.

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS
Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus. "It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties." **Special Revenue Funds , as required, to account for the proceeds of specific revenue sources that are restricted by law to expenditures for specified purposes.**

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus.

"It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties."

THE DUTY OF TAXING OFFICIALS

Supreme Court Case 22, 626 Opinion Filed April 26, 1932

The Duty of Taxing Officials to make Appropriations is plain and definite, and the refusal to perform such duty is sufficient to authorize the issuance of a writ of mandamus. "It is not the duty of taxing officials to make appropriations for the performance of constitutional governmental functions, but it is the duty of the officers charged with the performance of those duties to see that those appropriations are made, and such officers may not sit idly by and see the income and revenue of the county appropriated for other purposes then recover compensation for the performance of their duties." **Special Revenue Funds , as required, to account for the proceeds of specific revenue sources that are restricted by law to expenditures for specified purposes.**
