3. A.G. Opioid Grant Fund-\$299,813.63

This funding will be used to fund an opioid abatement program that we selected through the Bid process. The Oklahoma City office of the Parent Child Assistance Program (PCAP) will provide services to 20 women who reside in Oklahoma County for a one-year period. PCAP is a three-year intensive case management and home visiting. PCAP serves mothers who misuse alcohol/drugs during pregnancy and their families using a theory-based model (relational theory, stages of change, and harm reduction). PCAP intervention activities are conducted by trained and supervised case managers beginning during pregnancy or postpartum. PCAP case managers provide regular home visitation and help clients obtain treatment and stay in recovery. They connect families with comprehensive services including health, housing, parenting, and vocational services. This grant funding has a possible life cycle of 19 years.

4. Oklahoma Department of Mental Health and Substance Abuse Grant (SQ781)- \$2,452,676.00
