Recipients of Oklahoma Office of Homeland Security (“OKOHS”)/Department of Homeland Security (“DHS”)-Federal Emergency Management Administration (“FEMA”) grant funds (“Sub-recipient(s)”) are urged to carefully review and understand all terms and conditions of the award prior to award acceptance. Failure to comply with these terms and conditions may result in disallowance of costs and recovery of funds and/or suspension or termination of funds and/or award.

As a condition of receipt of this grant, the Sub-recipient understands and agrees:

1. **Acceptance of Post Award Changes (Article 44):** In the event FEMA determines that an error in the award package has been made, or if an administrative change must be made to the award package, recipients will be notified of the change in writing. Once the notification has been made, any subsequent requests for funds will indicate recipient acceptance of the changes to the award. Please call FEMA Grant Management Operations at (866) 927-5646 or via e-mail to: ASK-GMD@fema.dhs.gov if you have any questions.
2. **Acknowledgement of Federal Funding from DHS (Article 3):** Recipients must acknowledge their use of federal funding when issuing statements, press releases, request for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with federal funds.
3. **Activities Conducted Abroad (Article 4):** Recipients must coordinate with appropriate government authorities when performing project activities outside the United States obtain all appropriate licenses, permits, or approvals.

5. **Allowable Costs:** The sub-recipient agrees that all allocations and use of funds under this grant will be in accordance with the Notice of Funding Opportunity (NOFO).

OKOHS requires that Costs charged to this project are subject to advance written approval by OKOHS.

OKOHS requires that only food and beverages **approved in writing** by OKOHS in advance will be permitted to be purchased with DHS/FEMA funds. As a rule, FEMA and OKOHS discourage the use of federal funding for food and beverages. While there may be limited exceptions made to this rule that apply solely to working lunches, a strict reasonableness standard must be maintained.

OKOHS requires that use of DHS/FEMA funding to pay for speaker fees **must be approved in writing** by OKOHS in advance any time the speaker is paid more than \$100 per hour for services.

6. **Americans with Disabilities Act of 1990 (Article 6):** Recipients must comply with the requirements of Titles I, II, and III of the Americans with Disabilities Act, Pub. L. 7. **Applicability of DHS Standard Terms and Conditions to Tribes (Article 43):** The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to sub-recipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

8. **Assurances, Administrative requirements and Cost Principals, Representation and Certifications (Article 1):**

Applicants are required to fill out the assurances as instructed by the federal awarding agency.
9. **Audit Requirements:** The Sub-recipient agrees to comply with the requirements of the 2 C.F.R. Part 200 Section F. Entities that expend \$750,000 or more in Federal funds (from all sources) in a fiscal year require an organization-wide financial and compliance audit report. The audit must be performed in accordance with the Government Accountability Office Government Auditing Standards, Audits of States, Local Governments, and Non-Profit Organizations. Sub-recipients are required to submit to OKOHS (within 90 days of completion) a copy of any audit report received by Sub-recipient in connection with any audit performed by or as a requirement of any regulatory body (federal, state, or local) that is conducted with respect to activity taking place during the term of the OKOHS/DHS/FEMA Award. 10. **Best Practices for Collection and Use of Personally Identifiable Information (Article 7):** Recipients who collect personally identifiable information (PII) as part of carrying out the scope of work under a federal award are required to have a publicly available privacy policy that describes standards on the usage and maintenance of the PII they collect. DHS defines PII as any information that permits the identity of an individual to be directly or indirectly inferred, including any information that is linked or linkable to that individual. Recipients may also find the DHS Privacy Impact Assessments: Privacy Guidance and Privacy Template as useful resources respectively.
11. **Civil Rights Act of 1964 – Title VI (Article 8):** Recipients must comply with the requirements of Title VI of the Civil Rights Act of 1964, Pub. L. Part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units— i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators)—be designed and constructed with certain accessible features. - Affecting adversely the confidence of the public in the integrity of the government or the program. For example, where a Sub-recipient of federal funds makes sub-awards under any competitive process and an actual conflict or an appearance of a conflict of interest exists, the person for whom the actual or apparent conflict of interest exists should recuse himself or herself not only from reviewing the application for which the conflict exists, but also from the evaluation of all competing applications.

18. **Copyright (Article 10):** Recipients must affix the applicable copyright notices of 17 U.S.C. §§ 401 or 402 to any work first produced under federal awards and also include an acknowledgement that the work was produced under a federal award (including the federal award number and federal awarding agency). These regulations prohibit recipients from entering into covered transactions (such as subawards and contracts) with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities.
20. **Disposition of Equipment Acquired Under the Federal Award (Article 45):** For purposes of original or replacement equipment acquired under this award by a non-state recipient or non-state sub-recipients, when that equipment is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, you must request instructions from FEMA to make proper disposition of the equipment pursuant to 2 C.F.R. section 200.313. State recipients and state sub-recipients must follow the disposition requirements in accordance with state laws and procedures.
21. **Drug-Free Workplace Regulations (Article 12):** Recipients must comply with drug-free workplace requirements in Subpart B (or Subpart C, if the recipient is an individual) of 2 C.F.R. Part 3001, which adopts the Government- wide implementation (2 C.F.R. Part 182) of the Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 8101-8106).
22. **Duplicative Costs (Article 13):** Recipients are prohibited from charging any cost to this federal award that will be included as a cost or used to meet cost sharing or matching requirements of any other federal award in either the current or a prior budget period. 25. **Environmental Planning and Historic Preservation (EHP) Review (Article 42):** DHS/FEMA funded activities that may require an Environmental Planning and Historic Preservation (EHP) review are subject to the FEMA EHP review process. This review does not address all federal, state, and local requirements. Acceptance of federal funding requires the recipient to comply with all federal, state, and local laws. DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/FEMA grant funds, through its EHP review process, as mandated by: the

National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and any other applicable laws and executive orders. General guidance for FEMA's EHP process is available on the DHS/FEMA Website at: <https://www.fema.gov/grants/guidance-tools/environmental-historic>. Specific applicant guidance on how to submit information for EHP review depends on the individual grant program and applicants should contact their grant Program Officer to be put into contact with EHP staff responsible for assisting their specific grant program. The EHP review process must be completed before funds are released to carry out the proposed project; otherwise, DHS/FEMA may not be able to fund the project due to noncompliance with EHP laws, executive orders, regulations, and policies. If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archaeological resources are discovered the applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA.

Sub-recipients should submit the FEMA EHP Screening Form to OKOHS for each project as soon as possible following receipt of their grant award. Any construction activities that have been initiated prior to the full environmental and historic preservation review could result in a non-compliance finding. Failure of the Sub-recipient to meet Federal, State, and local EHP requirements and obtain applicable permits may jeopardize Federal funding.
