fax 405.748.7214

Dear Mr. Brian Jasper,

Crossland Construction Company has contracted with Oklahoma City Public Schools to prep the site at 5016 S Penn. for the purpose of US Grant Highschool. The aggregate that was used for the laydown yard & gravel pathways that the County can load and haul with their equipment that we would donate to Oklahoma County to repurpose for use in their construction projects. The County would need to be responsible for all costs associated with this. Please plan to haul this rock off the week of July 27th.

If you have any questions, please contact me.
