Commissioner Maughan:

The City of Choctaw, Oklahoma (the “City”) is contemplating the formation of a Tax Increment Finance District (“TIF”) for a project in Choctaw, Oklahoma, located within the City. The entity you represent is a taxing jurisdiction that would be affected by the proposed TIF. Under the Local Development Act (Oklahoma Statutes Title 62, § 850, *et seq.*), you are required to have representation on a TIF Review Committee (the “Committee”). The Committee will meet at least twice for the purpose of reviewing the proposed TIF Project Plan and making certain findings and recommendations to the City concerning the proposed TIF.

We truly want your input on the Committee, and for us to move forward with any proposed TIF we need you to designate an individual to serve as your representative on the Committee. This designation needs to be completed by March 13, 2026.

You may contact the City by email or written correspondence with your representative’s name, title, and contact information at:

Again, please send your preferred representative’s contact information to the City by March 13, 2026. In the event we do not receive the preferred representative’s name and contact information, the City will designate an initial representative for you.

Thank you for your assistance and cooperation.

Sincerely,

Stuart Drake, City Manager
