In consideration of the obligation of Lessee to pay rent as herein provided, and in consideration of the other terms, covenants and conditions hereof, Lessor hereby demises and leases to Lessee, and Lessee hereby takes from Lessor, the Demised Premises to have and to hold the same for the Lease Term, all upon the terms and conditions set forth in this Lease Agreement.

Lessor agrees to furnish Lessee, while occupying the Demised Premises, the following services:

- (A) Hot and cold water at those points of supply provided for public use of the tenants.
- (B) Heating in season, if presently provided for the Demised Premises, at such times as Lessor normally furnishes these services to all tenants of building, and at such temperatures and in such amounts as are considered by Lessor to be standard, such service on Saturday, Sunday and holidays to be optional on part of Lessor.
- (C) Elevator services in common with other tenants, for ingress to and egress from the Demised Premises.
- (D) Electric lighting for public areas and special service areas of the building in the manner and to the extent deemed by Lessor to be standard.

Failure in any extent to furnish, or any stoppage of, these defined services shall not render Lessor liable in any respect for damages to either person or property, nor be construed as an eviction of Lessee or work an abatement of rent or relieve Lessee from fulfilling any covenant or agreement hereof. Should any equipment or machinery break down, or for any cause cease to function properly, Lessor shall use reasonable diligence to repair same promptly, but Lessee shall have no claim for rebate or rent or damages on account of any interruptions in service occasioned thereby or resulting. Lessee shall contact Lessor immediately upon discovering any such mechanical or equipment breakdown or stoppage in service.

This Lease Agreement is conditioned upon faithful performance by Lessee of the following agreements, covenants, rules and provisions herein set out and agreed to by Lessee:

1. To pay all rents and sums provided to be paid by lessee hereunder at the times and in the manner herein provided, including Lessee's pro-rata share of the common areas and the expenses related thereto. Except as otherwise provided herein, the obligation of Lessee to pay Basic Monthly Rental is an independent covenant, and no act or circumstances whether constituting a breach of covenant by Lessor or not, shall release Lessee of the obligation to pay rent.
2. Lessee will not mortgage, assign, or otherwise encumber this lease, or allow same to be assigned by operation of law or otherwise, or the Demised Premises or any part thereof, or use or permit same to be used for any other purpose than stated in the Permitted Use clause hereof without written consent of Lessor.
3. By moving into the Demised Premises or taking possession thereof, Lessee accepts the Demised Premises as suitable for the purpose for which the same are leased and accepts the building and each and every appurtenance thereof. Lessee, by said act, waives any and all existing defects therein.
4. Lessor shall not be liable to Lessee or Lessee's agents, employees, guests, invitees or any person claiming by, through or under Lessee for any injury to persons, loss or damage to property, or for loss or damage to Lessee's business, occasioned by or through the acts or omissions of Lessor or any other person, or by any other cause whatsoever except Lessor's gross negligence or willful misconduct. To the extent Lessor is not prevented by law from contracting against such liability, Lessee shall indemnify Lessor and save it harmless from all suits, actions, damages, liability and expense, including but not limited to costs and attorney fees, in connection with any and all damages, including but not limited to loss of life, bodily or personal injury or use by Lessee of the Demised Premises or any part thereof.
5. Lessee will not make or allow to be made any alteration or physical additions in or to the Demised Premises without the written consent of Lessor before performance. Such alterations, physical additions or improvements as well as those improvements made at the Lessee's expense or under any agreement with the Lessee whereby the Lessee is given an allowance or rent reduction in exchange for Lessor's agreement to install or allow to be installed lease improvements such as by way of example but not limitation: wall covering, floor coverings or carpet, paneling, doors and hardware, and any and all such improvements shall become the property of the Lessor and shall in no event be removed by the Lessee. It is the responsibility of the Lessee to restore the Demised Premises to the condition that existed when Lessee first took possession if Lessor so requests. This clause shall not apply to movable non-attached fixtures or furniture of the Lessee. If any mechanic's or material man's lien is filed against the Demised Premises or the real estate of the Demised Premises, Lessee shall cause same to be discharged within ten (10) days after the lien is filed by the Lessee paying or bonding over said lien.

6. Lessor shall have the right at any time to inspect, clean, alter, repair, or improve the Demised Premises and the building, and Lessor and its representatives for that purpose may enter on and about the Demised Premises and the building with such material as Lessor may deem necessary and may erect scaffolding and all other necessary structures on or about the Demised Premises and the building.

7. Lessee will not commit or allow any waste or damage to be committed on any portion of this Lease Agreement by lapse of time or otherwise, deliver up said Demised Premises to Lessor in as good condition as at date of possession, ordinary wear and tear excepted, and upon termination of this Lease Agreement, Lessor shall have the right to reenter and Lessee and resume possession of the Demised Premises. In addition, Lessee shall permit Lessor or Lessor's agents and any other person authorized by Lessor to enter the Demised Premises at any time for valid business reasons.

8. Lessee will conduct its business, and control its agents, employees and invites in such a manner as not to create any nuisance, interfere with, annoy, or disturb other tenants or Lessor in management of the building.

9. Lessor shall not be liable or responsible for any loss or damage to any property or person occasioned by theft, fire, act of God, public enemy, injunction, riot, strike, insurrection, war, court order, requisition or order of governmental body or authority, or any matter beyond the control of Lessor or for any damage or inconvenience which may arise through repair or alteration of any part of the building, or failure to make any such repairs, or from any cause whatever.

10. Lessee shall fully comply with all requirements of the Building Rules, which are attached hereto as Exhibit B and made a part hereof as though fully set out herein, and Lessee shall require Lessee's agents, employees, invitees, and visitors to do so. Lessor shall at all times have the right to change the Building Rules or to amend them in such reasonable manner as may be deemed advisable for safety, care, and cleanliness of the building and its tenanted areas and for preservation of good order therein. All changes or amendments to the Building Rules will be forwarded to Lessee in writing and shall be carried out and observed by Lessee.

Holding Over

In the event Lessee or anyone claiming under Lessee shall continue to occupy the Leased Premises after the expiration of the term of this Lease Agreement or any renewal or extension thereof without any agreement in writing between Lessor and Lessee with respect to such tenancy, said occupancy of the premises shall not be deemed to extend or renew the term of the Lease Agreement, but such occupancy shall be deemed as a tenancy at will, from month to month, upon the same covenants, provisions, and conditions herein with the exception of the Basic Monthly Rental.

Default

In the event that:

(a) Lessee shall on three or more occasions be in default in the payment of the Basic Monthly Rental or other charges herein required to be paid by Lessee (default being defined as payment received by Lessor ten (10) or more days after the due date), regardless of whether or not the default has occurred on consecutive or non-consecutive months and regardless of whether payment was subsequently made; or

(b) Lessee has caused a lien to be filed against the Demised Premises and said lien is not removed within thirty (30) days of the recording of the same; or

(c) Lessee fails to comply with any terms, provisions, conditions, or covenants of this Lease Agreement or any of the rules now or hereafter established for the government of the building (Building Rules); or

(d) Sixty (60) days have elapsed after the commencement of any proceeding by or against Lessee, whether by the filing of a petition or otherwise, seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or future Federal Bankruptcy Act or any other present or future applicable federal, state or other statute or law, whereby the proceeding shall not have been dismissed (provided that the non-dismissal of any such proceeding shall not be a default so long as all of Lessee's covenants and obligations hereunder are being performed by or on behalf of Lessee); or

(e) Lessee deserts or vacates the Demised Premises; then

Lessor shall have the option to do any one or more of the following:

(i) Terminate this Lease Agreement by giving Lessee five (5) days' notice thereof, in which event this Lease Agreement shall expire and terminate on the date specified in said notice of termination, with the same force and effect as though the date so specified were the date herein originally fixed as the termination date of the Lease Term, and all rights of Lessee under this Lease Agreement in and to the Demised Premises shall expire and terminate, and Lessee shall remain liable for all obligations under this Lease Agreement that arose up to the date of such termination, and Lessee shall immediately surrender the Demised Premises to Lessor.

(ii) Without terminating this Lease Agreement, and with or without notice to Lessee, Lessor may in its own name but as agent for Lessee enter into and upon and take possession of the Demised Premises or any part thereof, and, at Lessor's option, remove persons and property therefrom, and such property, if any, may be removed and stored in a warehouse or elsewhere all without being deemed guilty of trespass or becoming liable for any loss or damage which may be occasioned thereby, and Lessor may rent the Demised Premises or any portion thereof as the agent of Lessee with or without advertisement, and by private negotiations and for any term upon such terms and conditions as Lessor may deem necessary or desirable in order to relet the Demised Premises. Lessor shall in no way be responsible or liable for any rental concessions or any failure to rent the Demised Premises or any part thereof, or for any failure to collect any rent due upon such reletting. Upon such reletting, all rentals received by Lessor from such reletting shall be applied: first, to the payment of any indebtedness (other than any rent due hereunder) from Lessee to Lessor; second, to the payment of any costs and expenses of such reletting, including, without limitation, brokerage fees and attorneys' fees and costs of alterations and repairs; third, to the payment of rent and other charges then due and unpaid hereunder; and the residue, if any shall be held by Lessor to the extent and for application in payment of future rent as the same may become due and payable hereunder. In reletting the Demised Premises, Lessor may grant rent concession and Lessee shall not be credited, therefore. If such rentals received from such reletting shall at any time or from time to time be less than sufficient to pay the Lessor the entire sums then due from Lessee hereunder. No such reletting shall be construed as an election by Lessor to terminate this Lease Agreement unless a written notice of such termination has been given to Lessee by Lessor.

Notwithstanding any such reletting without termination, Lessor may at any time thereafter elect to terminate this Lease for any such previous default provided same has not been cured; or

(iii) Without liability to Lessee or any other party and without constituting a constructive or actual eviction, suspend or discontinue furnishing or rendering to Lessee any property, material, labor, utilities or other service, whether Lessor is obligated to furnish or render the same hereunder, so long as Lessee is in default under this Lease Agreement; or

(iv) Pursue such other remedies as are available at law or in equity.

General Provisions

Any notice required or permitted to be given hereunder by one party to the other shall be deemed to be given when personally delivered to the office of the Lessor, or when mailed, postage prepaid by Certified or Registered U. S. Mail, addressed to the respective party to whom notice is intended to be given, as follows:

If to Lessee:

Vicki Zemp Behenna, District Attorney
211 N. Robinson, Suite
Oklahoma City, Oklahoma 73102

If to Lessor:

Chairman, Board of County Commissioners
320 Robert S. Kerr Ave.
Oklahoma City, Oklahoma 73102

Either party may terminate this agreement for any reason with a thirty (30) day notice to the other party.

After the Lessee takes possession of the premise and it is determined by Lessee that Lessee does not need 11,269 square feet of warehouse space and wants to reduce the square footage of leased warehouse space, Lessee will notify Lessor of the reduction. **Lessor stipulates that reduction of warehouse space must be done in whole increments of said space, being space A, B, C, & D.** Within 30 days of the notification, Lessor and Lessee will agree on amount of square footage needed and amount of rent due for the following months will be calculated based upon the reduced square footage of warehouse space needed by Lessee.

If any term, provision, condition, or portion of this agreement shall be held to be invalid or unconstitutional for any reason, it is the intent of the parties hereto that the portion declared invalid shall be severable and the remaining portions of this agreement shall be enforceable.

This agreement shall be governed by the laws of the State of Oklahoma.

No waiver of any default of Lessor or Lessee hereunder shall be implied from any omission to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver and that only for the time and to the extent therein stated. One or more waivers by Lessor or Lessee shall not be construed as a waiver of a subsequent breach of the same covenant, term or condition.

Renewal:

Lease renewals will be subject to a review of satisfactory payment and performance history.

Lease rates may be subject to adjustment based on:

- 1) Market rates
- 2) Consumer Price Index as reported by the US Department of Labor and Statistics for the previous calendar year.

This agreement constitutes the entire agreement and understanding between the parties, and supersedes all offers, negotiations and other agreements concerning the subject matter contained herein.
