SageView will have no responsibility to verify such information and no liability for errors or omissions because of relying on such information. SageView is not a law firm or a public accounting firm and does not provide legal or tax advice.

Contract Term: The contract shall be for the fiscal year July 1, 2025 to June 30, 2026 and SageView will provide the following actuarial services under this agreement:

The fees for the Contract Term will be \$14,300.

All work will be completed and delivered to the Client by September 1, 2025 assuming receipt of complete census data and medical plan premiums as of July 21, 2025 for the fiscal 2026 report.

Termination

This agreement may be terminated by either party upon thirty (30) days written notice.

Additional services available if requested by the Client

No additional services shall be used, ordered or billed to the Client under this contract. Any additional services to the Client must be authorized and approved by a separate contract for a sum certain.

Relationship of the Parties

The legal relationship between the Client and SageView shall be exclusively that of principal and agent. The parties hereto specifically agree and acknowledge that SageView shall not:

- Have discretionary authority over any aspect of the Plan;
- Be a fiduciary;
- Be responsible for ensuring that the Plan complies with any requirement to which the Plan is subject, or be liable to the Plan, Client, or any person if the Plan fails to comply with any such requirement;
- Have any duty or authority to enforce the payment of any contribution owed under the Plan;
- Be responsible for the adequacy of the trust established as part of the Plan, or be liable for any benefits owed under the Plan;
- Exercise discretion as to any Plan function; or
- Have any obligation to perform any service not specified in this Agreement or otherwise agreed to in writing by the parties (regardless of whether such service may be considered "customary" services to be provided by SageView).

The Client agrees that SageView shall use all information and data supplied by or on behalf of the Client without having independently verified the accuracy or completeness of it except to the extent required by generally accepted professional standards and practices. If any documentation or information supplied to SageView at any time is incomplete, inaccurate, or not up-to-date, or its provision is unreasonably delayed, SageView will not be responsible for any delays or liability arising therefrom.

The Client further understands that the failure to provide, or cause to provide, complete, accurate, up-to-date, and timely documentation and information to SageView, whether intentional or by error, could result in an impairment of SageView's services.

Client Responsibilities and Representations

The Client has general responsibilities with respect to the Plan, including

- Providing all information required by SageView to perform its services under this Agreement on a timely basis;
- Serving as fiduciary for the Plan;
- Communicating Plan details to employees and answering employee questions;
- Ensuring adequate funding of the Plan; and
- Authorizing plan disbursements and ensuring accuracy of information provided.

Dispute Resolution

The contract shall be governed and interpreted in accordance with Oklahoma law. Before commencing any action or proceeding with respect to any dispute between the parties arising out of or relating to this Agreement or the Services, both parties may elect to attempt to settle such dispute through consultation and negotiation in good faith and in a spirit of mutual cooperation. Any such dispute will be submitted in writing to a panel of one (1) senior executive or official of each of SageView and the Client, who will promptly meet and confer to resolve such dispute. Each party's representative will be identified by notice to the other and may be changed at any time thereafter by notice to the other.

In the event the executives are unable to resolve any dispute within thirty (30) days after submission to them, either party may then refer such dispute to mediation by a mutually acceptable mediator to be chosen by SageView and the Client within forty-five (45) days after written notice by either party demanding mediation. Neither party may unreasonably withhold consent to the selection of a mediator. All communications and discussions in furtherance of this paragraph shall be treated as confidential settlement negotiations, which are not subject to discovery. The costs of the mediator shall be shared equally, but each party shall pay its own attorneys' fees.

Any dispute which cannot be resolved between the parties through negotiation, mediation or other form of alternative dispute resolution may then be submitted to an Oklahoma court of competent jurisdiction within the statutory time frame permitted by law. Nothing in this section will prevent either party from resorting to judicial proceedings if interim relief from a court is necessary to prevent serious and irreparable injury to that party or to others.

Acceptance

The items and conditions of this Agreement are agreed to and accepted by the Client on behalf of the Plan. This Agreement is effective only when signed by all parties.
