

The Oklahoma Legislature passed HB 2914 creating the Oklahoma Sheriff's Office Funding Assistance Grant Program within the Attorney General's office. The Attorney General is authorized pursuant to 74 O.S. § 20k-1A to establish the Grant Program for the purpose of "ensuring professional law enforcement throughout the state by providing financial assistance to sheriff's offices in qualified counties." Specifically, monies will be directed toward funding the lawful operations of the sheriff's office.

I. AVAILABLE FUNDS

Appropriations made available through legislation provide a funding stream. Funds made available through the Oklahoma Sheriff's Office Funding Assistance Grant Program shall be used to supplement, and not supplant, other federal, state, county, and local funds expended to carry out activities relating to the lawful operations of the sheriff's office. Grant funds are to be used to enhance the budget of the sheriff's office, not replace any funds allocated from the county. Funding is contingent upon continued appropriations from the state legislature.

II. PURPOSE AREA

To be eligible for a Sheriff's Office Funding Assistance Grant, a sheriff's office shall submit an application to the Office of the Attorney General along with a resolution signed and attested by the chair of the board of county commissioners approving the submission of the application. Grant awards are limited to the lawful operation of the sheriff's office. Awards shall not be used for the payment of salary. Grant funds are based on the gross assessed total tangible property valuation of the county, and will be awarded to qualified counties in the following amounts*:

- a. \$150,000 for the twenty-six (26) counties having the lowest gross assessed total tangible property valuation.
- b. \$250,000 for the twenty-six (26) counties ranked higher than the counties described in (a) but lower than the counties described in (c).
- c. \$300,000 for the twenty-five (25) counties having the highest gross assessed total tangible property valuation.

III. ELIGIBLE APPLICANTS

Awards will be made to qualified sheriff's offices across Oklahoma. A county must be the legal applicant and recipient of funds on behalf of a sheriff's department. It will be necessary to have an authorized official sign the grant application via a resolution. This can be found on the Resolution page of the application.

IV. REQUIREMENTS FOR ALL APPLICANTS

All applicants must submit a completed grant application, as well as a completed and signed resolution (to be uploaded to the application). Applicants MUST include in their application the operational expenses to be addressed by the funding. Salaries are not an allowable use of funds.

V. GRANT PERIOD

Funds for projects receiving approval will be dispersed upon the Attorney General's Office receipt of a signed contract and the creation of an invoice. Continued funding is not guaranteed. This grant is awarded on an advancement basis and not reimbursement. Grant funding can be reimbursed back for expenses dating on July 1, 2026, and after. All funds must be expended by June 30, 2028.

VI. APPLICATION DEADLINE

The application must be submitted via OGX by June 30, 2026, at 11:59pm. Late applications will not

be accepted

VII. GRANT REVIEW / AWARD PROCESS

Funds will be awarded to qualified counties meeting application requirements. Awards will be based on the gross assessed total tangible property valuation of each county as outlined in 74 O.S. §20k-1A (D)(2). Upon approval of the grant application, staff will notify the successful applicant via OGX. Counties will be required to complete an agreement that sets forth the terms and conditions applicable to the grant prior to the distribution of funds.
