

INTEROFFICE MEMO

Date: August 12, 2026

From: Ashley McMichael, Senior Purchasing Officer

Subject: Recommendation for P26285-09 Design-Build Roof Replacement for the Midwest City Substation

.....

A Request for Qualifications was sent to Oklahoma County registered vendors, as well as multiple other online platforms seeking qualifications from Design-Build teams for the Roof Replacement at the Midwest City Substation.

A mandatory Pre-Bid Meeting was held on July 7th, 2026, with thirteen attendees present. Four responses were received from Central Weather, Super Roofs Inc., TriVan Roofing and the Yori Group.

On July 27th, 2026, interviews were conducted with all firms that submitted a response to the Request for Qualifications.

The evaluation committee consisted of representatives from Facilities, Chairman's Office and the Engineering Department with Purchasing facilitating the interview process.

Interview proposals and recommendation went before Infrastructure on 08/09/2026 where a funding source was determined.

Based upon final scores and evaluation notes, it has been determined to award to the most qualified firm Super Roofs, contingent upon encumbrance of funds.
