

**Addendum to an Existing Contract**  
**ARPA SUBRECIPIENT AGREEMENT**  
**BOARD OF OKLAHOMA COUNTY COMMISSIONERS**  
**And**  
**OKLAHOMA COUNTY PUBLIC BUILDINGS AUTHORITY**

THIS CONTRACT ADDENDUM is in reference to a contract agreement dated 10/30/2024 between the Board of Oklahoma County Commissioners, herein referred to as COUNTY, and the Oklahoma County Public Buildings Authority, herein referred to as SUBRECIPIENT.

THAT WHEREAS, the COUNTY and the SUBRECIPIENT have entered into an agreement for SUBRECIPIENT for the provision of ARPA funding for projects managed by the SUBRECIPIENT.

- The Oklahoma County Public Buildings Authority (PBA) is responsible for management, operations, and maintenance of contracted county facilities. The PBA is charged with providing a safe, comfortable workspace through quality facilities and responsive service at each of their contracted locations.

A copy of the original contract is made part of this Addendum;

WHEREAS, the parties hereto desire to reduce the terms of this Amendment to writing;

NOW, THEREFORE, for and in consideration of the mutual promises to each other, as hereinafter set forth, the parties hereto do mutually agree to the contract addendum as follows:

**1. Reference: The “not-to-exceed amount”**

- For the additional services as outlined, COUNTY shall provide financial assistance to the SUBRECIPIENT in an additional amount **not to exceed \$400,000.00**.
- Specifically, the DA Offices ICB floors 1-5 project: 10133 is being increased from \$3,500,000.00 to \$3,900,000.00.
- The total contract not-to-exceed amount is being increased from \$15,389,601.75 to **\$15,789,601.75**.

**2. Reference: ATTACHMENT B6: 10133**

**PROJECT DETAILS: DA Offices ICB floors 1-5**

- The not-to-exceed increase of \$400,000.00 is being provided by COUNTY to SUBRECIPIENT for their ongoing efforts to provide socially distanced office spaces for the District Attorneys office. This includes, finishes and mechanical needs.
- Throughout the COVID-19 pandemic, government operations and facilities continued to function without interruption. Specifically, services provided by the district attorney’s office could not afford an extended halt. Most assistance from the DA's office requires in-person services. To avoid disrupting aid to the Oklahoma County public and prevent a potential backlog, the DA's office did not participate in an extended closure. Consequently, staff were more frequently exposed and at risk of contracting COVID-19 due to ongoing interactions with community members and colleagues.

- To address the currently inadequate office space and ensure proper social distancing, the DA's office is being moved to the investor's capital building, which is owned by the PBA.
- This infrastructure improvement will increase square footage significantly and serve as an imperative effort to mitigate COVID.

May it be known that the undersigned parties, for good consideration, do hereby agree to make the following changes and / or additions that are outlined within the addendum. These additions shall be made valid as if they are included in the original stated contract.

No other terms or conditions of the SUBRECIPIENT contract shall be negated or changed as a result of this here stated addendum.

All promises, requirements, terms, conditions, provisions, representations contained and specified in the original Agreement shall survive and become part of this Addendum unless specifically provided otherwise herein, or unless superseded by applicable Federal law or State statutes.

IN WITNESS WHEREOF, the SUBRECIPIENT and the COUNTY respectively, have caused this Agreement to be executed by their duly authorized representatives.

2. Sub-awarding: For the purposes of this Agreement, the COUNTY serves as the pass-through entity for a Federal award and the SUBRECIPIENT serves as the recipient of a sub-award. This agreement is entered into based on the following representations:

  - a. Submit desired projects for consideration per process established by the County Policy and Governance Committee; However, the COUNTY'S provisional determination that an expenditure is eligible does not relieve the SUBRECIPIENT of its duty to repay the COUNTY for any expenditures that are later determined by the COUNTY or the Federal government to be ineligible. further acknowledges that the CSLFRF funding may be utilized only for the uses authorized by American Rescue Plan Act. Accordingly, SUBRECIPIENT covenants that the use of the CSLFRF funding by SUBRECIPIENT pursuant to this Agreement is limited to only those uses for which the CSLFRF funding may be utilized under American Rescue Plan Act.

This section shall survive the expiration or termination of this Agreement.

14. Remedies: The COUNTY may exercise any other rights or remedies, which may be available under law. ## ATTACHMENT A: RISK-BASED SUBRECIPIENT MONITORING

This section includes details of the subrecipient monitoring based on assessment and evaluation that the subrecipient is in the low-risk category.

### Low-Risk Monitoring Plan

- i. All standard processes, as outlined in this document, are permitted.
- ii. Random sampling of expenditures for supporting documentation/detail should be conducted **at least once per year**.
- iii. Agency must send reminders to the entity of federal single audit requirements. 1. If the Agency subaward to the entity is \$750,000 or more, subrecipient must complete a federal single audit and Agency is responsible for confirming the entity completes a federal single audit. If the entity does not complete the federal single audit, they are in violation of federal compliance requirements and corrective action must be taken. 2. If Agency subaward to the entity is less than \$750,000, Agency should still notify the entity of the requirement as the \$750,000 threshold is a cumulative of all federal funds an entity receives during the entity's fiscal year. Agency must verify if an entity is required to perform a federal single audit by checking the total of federal awards made to an entity through [www.usaspending.gov](http://www.usaspending.gov). Corrective action is needed if the federal single audit threshold is met but the entity has not completed a federal single audit.

Description:

I certify that I have reviewed ARPA eligible expenditures and all aspects of this project are consistent with the provisions of ARPA Final Rule. The funds allocated from ARPA for this project will only be used for the purposes laid out in ARPA, including addressing public sector capacity, responding to the public health and economic impacts of COVID-19, providing premium pay for essential workers affected by the COVID-19 pandemic, and investing in critical water, sewer, and broadband infrastructure. I understand use of ARPA funds for non-eligible purposes may result in the return of the funds to the County and/or US Treasury.
