A. CONTACT PERSON

Owner: Steven J. Jech (405) 471-1101 steven-j@sbcglobal.net

B. HISTORY

This is a new application.

C. GENERAL LOCATION AND LAND USE

This request seeks to close a portion of the 30-foot right-of-way easement (NE 115th Street) The subject street extending west from N. Air Depot Boulevard to Ecker Dr. AA zoned, five acre residential lots abut the site to the north and west. River Oaks Addition occupies the property to the south.

D. PURPOSE OF THE REQUEST

It is the desire of the applicant to close and gate this portion of the street. NE 115th Street is a narrow street that has deteriorated and become impassable. Closing the street will reduce illegal dumping and add to the safety and security of the area.

II. COMMENTS FROM OTHER DEPARTMENTS AND AGENCIES

The Engineering Department states the proposed easement closing should exclude a 50-foot right-of-way west of the Section line along North Air Depot Boulevard. Solid Waste Management Division, The Utilities Department, have no objections to this request. No comments were received from Oklahoma Gas and Electric Company or AT&T.

III. DEVELOPMENT SERVICES DEPARTMENT REVIEW

A. STAFF ANALYSIS

With the exception of the applicant's driveway, all abutting properties take access from Ecker Drive to the west and NE 113th Street to the south (both are private roads).

No other home owners will be denied access to their property if NE 115th Street is closed

CE-775

PROPERTY PHYSICAL ADDRESS:

LEGAL DESCRIPTION OF THE PUBLIC WAY/EASEMENT:

"An easement of 30' on the North side of a line on the South side of the Northeast Quarter (NE $\frac{1}{4}$) of Section Twenty-one (21), Township Thirteen (13) North, Range Two (2) West of Indian Meridian, Oklahoma County, Oklahoma beginning at the Southwest (SW) corner thence 2640' East along the South line of said Quarter Section to Southeast (SE) corner of said Northeast Quarter (NE $\frac{1}{4}$)".

Reason for Request to VACATE EASEMENT

The subject easement is described as a perpetual easement granted to Oklahoma County for the purpose of constructing a road and recorded as Document #80257, in Book #2842, on page #592 by the Oklahoma County Clerk on December 31, 1962. (See attach photo copy of the recorded document).

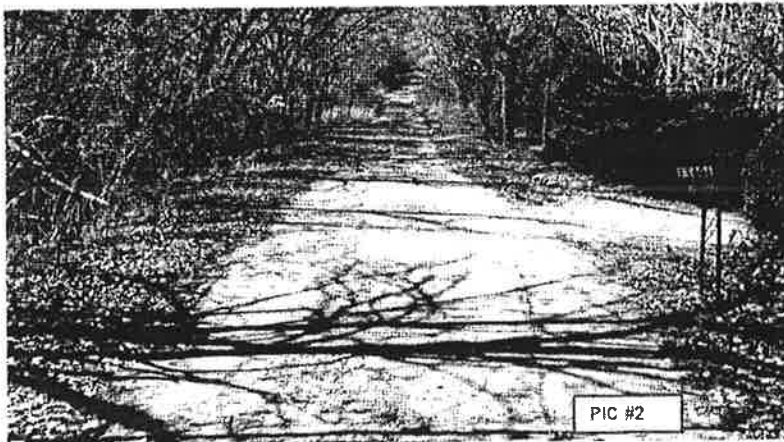

The County subsequently constructed a one lane street on the east 1320 feet of the easement. No street improvements were ever constructed on the west 1,320 feet. (See PIC #12) The property owner of the SE¼ never granted the additional 30 foot easement which would have allowed for the construction of a full two lane street. By itself this 30' easement is neither large enough for a full street nor for adequate drainage ditches.

We are petitioning the City to vacate the East 660 feet of the easement. This is the portion of the easement fronting our property. There are several reasons for the request.

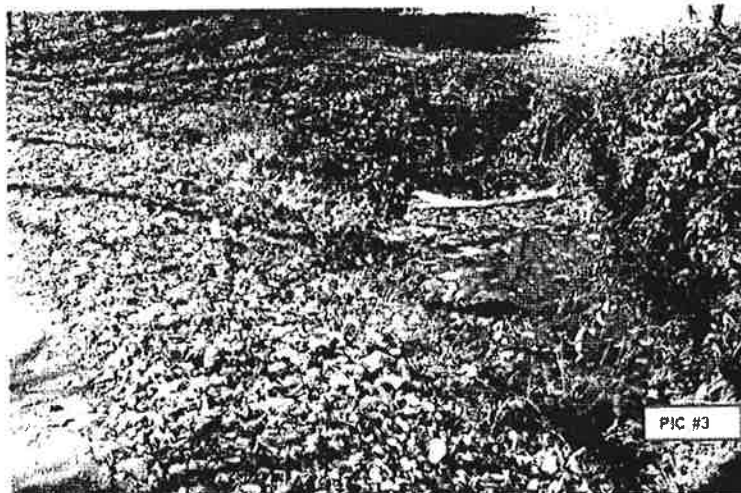

1. The partial street on the "improved" portion of a street easement has deteriorated to the point that it is impassable (reference the attached picture 1-18 and specifically pics #7, 8, 9, & 10).
2. Public services including the OKC Fire Department, OKC police Department and Oak Dale Public Schools have not used this street in well over 5 years.
3. This section of 115th street is susceptible illegal trash dumping. (See Trash Pics 1-5). Note that we periodically cleaned up the trash that has been dumped on this "street".
4. Public safety is an issue on at least two points. One, serious damage could be caused to citizens vehicles attempting to drive on this road. The second, people are parking on this deserted road late at night creating a concern for our personal safety.
5. Not only is the road surface almost completely gone the drainage ditches have silted full and do not provide drainage for the street. Instead the storm water drainage is actually forced on to the road bed. This condition is accelerating the erosion of the road surface.
6. The inadequate drainage is allowing storm water to come over the road, washing out our driveway and flooding our front yard. (see PIC #3)

LEGAL DESCRIPTION OF THE PUBLIC WAY/EASEMENT:

"An easement of 30' on the North side of a line on the South side of the Northeast Quarter (NE $\frac{1}{4}$) of Section Twenty-one (21), Township Thirteen (13) North, Range Two (2) West of Indian Meridian, Oklahoma County, Oklahoma beginning at the Southwest (SW) corner thence 2640' East along the South line of said Quarter Section to Southeast (SE) corner of said Northeast Quarter (NE $\frac{1}{4}$)".

Reason for Request to VACATE EASEMENT

The subject easement is described as a perpetual easement granted to Oklahoma County for the purpose of constructing a road and recorded as Document #80257, in Book #2842, on page #592 by the Oklahoma County Clerk on December 31, 1962. (See attach photo copy of the recorded document).

By itself this 30' easement is neither large enough for a full street nor for adequate drainage ditches.

We are petitioning the City to vacate the East 660 feet of the easement. This is the portion of the easement fronting our property. There are several reasons for the request.
