INTRODUCTION

This Handbook is designed to familiarize you with the policies and practices that apply to your employment and is not intended to be and does not constitute a contract of employment. This Employee ~~Policy~~ Handbook has been adopted by Oklahoma County pursuant to 19 O.S. § 339 (A) (10).

Formatted: Font color: Text 1

The following personnel policies are designed to inform County Employees of the County's operating policies and practices as they apply to all County employees. County employees are defined as those deputies and employees employed by or serving at the pleasure of the elected officials or BOCC department heads. Each County employee is responsible to the elected official or BOCC department head who hires and/or appoints that employee.

From time to time as conditions change, it will be necessary to change or add rules and procedures governing employees. Where practical or required by law such changes will be posted in advance of their effective date, after which time they will become a part of this handbook. Should you have any questions regarding policies, please ask your supervisor, elected officer or the County Human Resources (H.R.) Department (HR) representative for assistance.

EMPLOYMENT POLICIES

EQUAL EMPLOYMENT OPPORTUNITY STATEMENT

The County provides equal employment opportunity for all employees and applicants regardless of race, color, religion, sex, gender, sexual orientation, age, national origin, citizenship status, disability, genetic information or veteran status. This commitment to equal employment opportunity extends to all aspects of employment, including hiring, promotion, training, working conditions, compensation and discipline. The County complies with all applicable federal and state equal employment opportunity laws. Furthermore, the County will make reasonable accommodations for qualified individuals with known disabilities, unless doing so would result in an undue hardship, health or safety concern.

RECRUITMENT/JOB POSTING

Job openings may be posted publicly and/or filled from applications filed with the eElected oOfficial or department head. Postings generally include the title, salary range, minimum hiring specifications, and the closing date for filing applications. Applications submitted will be maintained on file by the department's HR representative for a minimum of one year.

POLICY AGAINST HARASSMENT AND DISCRIMINATION AND COMPLAINT PROCEDURE

Discrimination, harassment, and/or retaliation in any form constitute misconduct that undermines the integrity of the employment relationship with the County. The County prohibits discrimination and/or harassment that is sexual, racial, or religious in nature or is related to anyone's gender, sexual orientation, national origin, age, disability, or any other basis protected by federal, state, or local law. Furthermore, the County will make reasonable accommodations for qualified individuals with known disabilities, unless doing so would result in an undue hardship, health, or safety concern.

Unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a harassing and/or discriminatory nature will constitute harassment and/or discrimination. Employees must be allowed to work in an environment free from unsolicited and unwelcome sexual overtures. Sex discrimination and sexual harassment are against the law.

The County expects that employees will act responsibly to establish a professional work environment. However, if an employee feels he/she has been subjected to any form of harassment, discrimination and/or unfair treatment, the employee should promptly report that conduct to his/her immediate supervisor, another member of supervision, the ~~elected official/department's~~ H-R- manager or the County H-R- Director, or a member of the Board of Commissioners. Employees are not required to approach the person who is harassing and/or discriminating

against them, and they may bypass any offending member of management. The person the harassment or discrimination is reported to will take the necessary steps to initiate an investigation of the discrimination and/or harassment claim. Employees who believe they have been discriminated against based on a disability or who believe they have not been properly afforded a reasonable accommodation for a disability should utilize this same complaint and reporting process.

The County will conduct its investigation in as confidential a manner as possible. However, the County will not allow the goal of confidentiality to be a deterrent to an effective investigation. A timely resolution of each complaint will be reached and communicated to the employee. Appropriate corrective action, up to and including termination, will be taken promptly against any employee engaging in discrimination and/or harassment. The corrective action issued will be proportional to the severity of the conduct. The alleged harasser's employment history and any similar complaints of prior unlawful discrimination and/or harassment will be taken into consideration.

The County prohibits retaliation of any kind against employees, who, in good faith, report harassment, discrimination, and/or unfair treatment or assist in investigating such complaints. If an employee feels he/she has been subjected to any form of retaliation, the employee should promptly report that conduct to his/her immediate supervisor, another member of supervision, the ~~elected official~~ department's H-R manager or the County H-R Director or Board of County Commissioners. Employees are not required to approach the person who is retaliating against them, and they may bypass any offending member of management. Employees are encouraged to use the Complaint Resolution Procedure ~~(Open Door Policy)~~ set-out in the Handbook, as well.

PRE-EMPLOYMENT MEDICAL EXAMINATIONS

As a condition of employment, it may be necessary for job applicants to pass a medical evaluation and/or drug test conducted by a County selected physician after a conditional offer of employment has been made. An applicant who has received a conditional offer of employment and who fails to appear or does not meet specific job requirements based upon the medical examination and/or drug test results will be disqualified from further employment consideration. Medical examination and drug test expenses shall be paid by the County.

TELECOMMUTE

Formatted: Highlight

As public servants, there is an expectation that County services will be accessible to the public, which means most County positions are not suitable for telecommuting. Oklahoma County elected officials and BOCC department ~~directors-heads~~ shall manage their respective workforces based on business needs, the needs of those they serve and the roles and responsibilities of their employees, all of which can shift and evolve over time.

Commented [LE8]: Recommended just in case it is needed; a Standard Telework Agreement can be attached as an addendum.

The use of telecommuting is a management option, at the discretion of each elected official and BOCC department ~~directorhead~~. It is the exception to the general rule of the County to have its employees report to the physical work site. As such, no employee is entitled to or guaranteed the opportunity to telecommute.

~~From time to time, temporary telecommuting arrangements may be implemented in response to emergency situations or when necessary to provide reasonable job accommodations under the ADA. Additionally, the county may, at its discretion, set up alternative work sites for employees whose departments require telecommuting when doing so benefits and best serves the County.~~

Regardless of work site or telecommuting status, all employees are subject to the basic duties, obligations and responsibilities of county employment and are expected to adhere to all county policies and any employee who is allowed to telecommute will sign an acknowledgement and agreement that will be placed in the employee's file.

~~The terms and conditions of the work week and work schedule will be determined and documented in the County's Telecommute Agreement, a copy of which will be maintained in the employee's file. Because telecommuting is a privilege and not a right and can be revoked at any time by the elected official for any or no reason given. When a telecommuting agreement with an employee is revoked, the employee will be given a minimum of five (5) business days' notice to return to the physical work site and the employment file will be documented accordingly.~~

Commented [EM9]: Include additional details in telecommuting agreement

EARNING OVERTIME:

Oklahoma County's overtime policy conforms to overtime provisions of the ~~Federal Fair Labor Standards Act~~FLSA and applicable Oklahoma ~~Laws~~laws. Exemptions from these provisions will be claimed only when the necessary basis is established.

Oklahoma County ~~Employees-employees~~ who are ~~non-~~exempt and who are not law enforcement personnel shall be entitled to earn compensatory time off at the rate of 1 ½ times their regular rate of pay for all hours worked in a work week more than 40 hours.

In the case of ~~non-exempt~~ law enforcement personnel, ~~-who are not exempt~~ compensatory time will be earned for hours worked ~~more than in excess of~~ 171 hours in the 28-day ~~period~~cycle. Such compensatory time will be earned at the rate of 1 ½ times the employee's regular rate of pay.

Note: -Only non-exempt employees are entitled to earn compensatory time as described above. Exempt employees are not entitled to overtime pay.

COMPENSATORY TIME OFF FOR OVERTIME:

Oklahoma County has adopted as its policy, practice, and procedure, a method of compensating employees for overtime whereby employees are required to utilize compensatory time off in lieu of cash overtime payments. As an exception to this policy, and at the sole discretion of the elected official, the elected official may decide to make cash overtime payments. Compensatory time off will be granted to an employee at the rate of 1 ½ hours for each hour of overtime worked.

All compensatory time off will be scheduled within a reasonable period after requested, if it does not unduly disrupt operations. Except in the case of law enforcement personnel, each employee can accrue up to 240 hours of compensatory time off in lieu of overtime payment. Regular non-exempt ~~E~~employees will be paid cash for any compensatory time accrued ~~more than over~~ 240 hours.

In the case of ~~non-exempt~~ law enforcement personnel ~~who are not exempt~~, each employee can accumulate up to 480 hours of compensatory time off. After the accrual of 480 hours of compensatory time, a law enforcement employee will thereafter be paid cash payment for overtime. In all cases where compensatory time off is authorized, once the employee has utilized compensatory time off to reduce the maximum accrual below the applicable limit, then additional overtime will be paid in the form of additional compensatory time off.

Any employee receiving compensatory time shall exhaust such compensatory time prior to using annual leave, except where the employee is subject to losing annual leave due to exceeding accumulation limits.

An employee receiving compensatory time shall be permitted to use accrued compensatory time within 180 days following the day on which it was accrued, provided the taking of compensatory time does not unduly impact agency operations or the health, safety or welfare of the public, or endanger public

property. The balance of any unused compensatory time received but not taken during this time period, if payable, shall be paid to the employee at the employee's current regular hourly rate.

74 O.S. § 840-2.15; 29 U.S.C. § 207(o).

Note: 74 O.S. § 840-2.15 requires that any County employees working in "an institutional setting" (i.e., jailors and perhaps others) must be allowed to take their compensatory time off within 180 days of when it is accrued.

Commented [EM11]: 74 O.S. § 840-2.15 has been revised to apply to all earners of comp time, not just those in an institutional setting.

LEAVE BENEFITS

Oklahoma County has adopted a paid leave policy for full-time employees. Each elected official or BOCC department head shall be responsible for keeping records of the leaves taken by his or her employees using the Time & Attendance system. Such entries shall include type and length of leave as follows:

ABSENT WITHOUT LEAVE AVAILABLE: Employees may be approved to use unpaid leave when they have no accrued leave available or elect not to use leave accruals. An absence without leave available of a specified length may be granted at the discretion of the elected official or BOCC department head. While using this type of leave, an employee will not accrue annual or sick leave. An employee granted a leave of absence remains a County employee and does not lose his or her work experience status. The absence without paid leave shall not extend for a period more than one (1) year.

The employee may continue to carry Oklahoma County health insurance coverage during a leave of absence without pay. The monthly premium must be paid by the employee by the 1st day of each month during such leave. Failure to make premium payments will result in the termination of health insurance coverage. If an employee terminates coverage and then later returns from leave, they may re-enroll for health insurance coverage. Health insurance coverage will be effective on the first day of the month following the re-enrollment.

Commented [EM12]: From interim handbook 4.13

If an employee desires to continue retirement benefits during a leave of absence without pay, they must pay 12 percent of their gross salary or an amount as established by the Oklahoma County Retirement Board. This amount must be paid by the 10th day of each month during such leave. See the Oklahoma County Retirement Plan Document for further information.

ADMINISTRATIVE LEAVE: Paid or unpaid administrative leave may be granted to address situations not covered by other types of leave. Administrative leave is to be used at the discretion of the elected official or his or her representative when time away from regular duties is deemed appropriate, necessary, or protective for either the employee or the County. Administrative leave requires a comment to be entered into the Time & Attendance system documenting the reason for the leave.

[Move "Annual Leave" here](#)

BEREAVEMENT LEAVE: Employees shall be granted time off with pay not to exceed three (3) scheduled working days to attend the funeral in the event of the death of the employee's parent, child, spouse, brother, sister, grandparent, grandchild, great grandparent, great grandchild, uncle, aunt, nephew, or niece. At the discretion of the elected official or BOCC department head, employees may be granted bereavement leave with pay to attend the funeral of other relatives or friends.

COMPENSATORY TIME: Paid leave earned by non-exempt employees as defined within this handbook. Upon separation from Oklahoma County, an employee will be paid for the balance of their accrued compensatory time at the employee's average regular rate of pay for the final three (3) years of employment, or the final regular rate received by the employee, whichever is higher.

Formatted: Font: Not Bold

29 U.S.C. §207 (4).

Formatted: Font: Not Bold

DISASTER LEAVE: Employees may be granted paid leave at the discretion of their elected official or BOCC department head, not to exceed fifteen (15) business days, if they are affected by a presidentially declared national disaster.

ELECTION LEAVE: Employees shall be granted paid leave up to two (2) hours to allow them to vote during official elections when their workday begins less than three (3) hours after the time the polls open or ends less than three (3) hours before the time the polls close. If an employee's workday begins three (3) hours or more after the time the polls open or ends three (3) hours or more before the time the polls close, the employee will be expected to vote either before or after work. Employees shall notify their supervisor either orally or in writing of their intent to be absent at least on (1) day prior to the election and provide proof of voting to their supervisor. This provision does not apply to elections in which the sole issue is school board elections or bond issues.

[26 O.S. § 7-101](#)

EMERGENCY SHUTDOWN LEAVE: Employees may be granted paid leave when the Chair or Vice Chair of the Board of County Commissioners, or in their absence, the Emergency Management Director, declares a formal closing, late opening, or early closure of the building or site due to severe weather conditions or other unsafe conditions of County buildings or sites where employees are assigned to work. During their normal duty hours, employees using Emergency Shutdown Leave are on stand-by or on-call status. Employees may be called to return to their normal duties or respond to the demands of the situation as necessary. The granting of Emergency Shutdown Leave applies only to employees scheduled to work during the time of the closure or reduced services. It does not apply to employees who are absent during the closure or reduction on any previously approved leave. Employees who are not eligible to accrue leave, such as temporary employees, shall not be granted Emergency Shutdown Leave when County services are temporarily closed or reduced due to hazardous conditions.

When an emergency shutdown has been declared, employees responsible for providing essential services shall report to work. The elected or appointed officials of each office will be responsible for determining essential department functions and ensuring that employees who staff such functions are informed. Employees who are required to work when County services are temporarily reduced due to hazardous conditions will be entitled to accrue Emergency Shutdown Leave on a straight-time basis up to eight (8) hours per day for hours worked in their regularly scheduled work periods during such reduction.

JURY DUTY LEAVE: Oklahoma County desires that all employees fulfill their duty to serve as members of juries or to testify when called in Federal, State, or municipal courts. Paid jury duty leave will be granted when an employee is called to perform mandatory jury service or subpoenaed to testify as a witness in a case not involving personal interest. The employee will be required to provide satisfactory documentation requiring his or her appearance as a witness or juror.

If the employee is relieved from court or jury duty during working hours, the employee must report back to his or her worksite. The above-mentioned

provisions concerning compensation for time in court do not apply if the employee is involved in private litigation. On these occasions, the employee must utilize his or her own leave.

MILITARY LEAVE: A type of paid leave used for employees who are called to active duty or military training with the National Guard, Reserves, or other Uniformed Services in accordance with 5 U.S. Code § 6323 and 72 O.S. § 48.

WORKERS' COMPENSATION LEAVE: Employees who sustain illness or injury arising out of or in the course of employment with Oklahoma County will be granted paid leave to be provided with reasonable and necessary medical care.

[In all accepted claims, Oklahoma County employees will be placed on workers' compensation leave status and will be provided their regular monthly salary for up to one month, plus the balance of the month they were injured, if the employee is required to miss work because of the injury or illness, as determined by the](#)

County's authorized physician. This benefit will be paid after a three-day waiting period. Employees may use accrued paid leave to cover the three-day waiting period. Additional authorized absences under workers' compensation leave will not be charged against the employee's leave balance. Sick and vacation leave do not accrue while an employee is on workers' compensation leave.

Any additional time off will be considered as Temporary Total Disability (TTD) benefits and will be paid through the Workers' Compensation Administrator at the rate mandated by law.

An injured employee may receive TTD benefits for as long as the employee is temporarily totally disabled, not to exceed 300 weeks. An employee cannot receive their full salary and TTD payments at the same time, nor can they use accrued leave to augment TTD benefit payments or in lieu of TTD while on workers' compensation leave.

An employee must notify the Oklahoma County Health and Safety Department and copy the OKCC Chief of Staff if they accept or continue other employment while on workers' compensation leave. An employee receiving TTD payments from another employer must promptly report, in writing, the amount of income they are receiving, or any change in their employment status while receiving TTD payments. No employee may receive TTD payments and unemployment benefits covering the same period of time.

When an employee is on workers' compensation leave, the County will continue to pay the employer portion of health insurance and life insurance premiums, if the employee was covered prior to such leave, for the first 12 weeks of the absence. For employees on workers' compensation leave exceeding 12 weeks, the County may elect to voluntarily continue paying the County's portion of health insurance premiums through the term of the workers' compensation leave. During this period, employees are required to continue to pay any premium they were paying prior to workers' compensation leave. Any premium adjustments that are made to employees will also include employees on workers' compensation leave. This premium is due from the employee on the 1st day of each month and is considered delinquent after the 15th day of the month. Coverage is subject to termination if the premium is not paid by the last day of the month. If an employee terminates coverage and then later returns from leave, they may re-enroll for health insurance coverage by providing evidence of insurability. If approved, health insurance coverage would be effective the first day of the month following approval.

Oklahoma County shall continue to make payments into the employee's retirement account during the time they are on workers' compensation leave and are on payroll.

An employee who is absent from work, due to an on-the-job injury, shall obtain a written release from the treating physician, before returning to work. The written release must be completed and signed by a physician, before an employee is allowed to return to work.

Temporary, part-time employees, and volunteers injured on-the-job are not generally covered, unless specifically addressed by the Workers' Compensation Act, or other Oklahoma Statutes.

Workers' Compensation Fraud

A person who is guilty of workers' compensation fraud shall be guilty of a class D1 felony punishable by imprisonment or by a fine not exceeding \$10,000, or by both such fine and imprisonment (21 O.S. § 1663).

12. "Serious Health Condition"

A serious health condition is an illness, injury, impairment or physical or mental condition that involves: (1) inpatient care (an overnight stay in a hospital, hospice, or residential medical care facility) and any corresponding period of incapacity or subsequent treatment in connection with the inpatient care, or (2) "continuing treatment," as defined above, by a health care provider. "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, treatment therefore or recovery therefrom. "Treatment" includes examinations to determine if a serious health condition exists and evaluations of the condition. Treatment does not include routine physical, eye, or dental examinations. Ordinarily, unless complications arise, the common cold, the flu, earaches, upset stomach, minor ulcers, headaches or other migraine, routine dental or orthodontia problems, periodontal disease, etc., are examples of conditions that do *not* meet the definition of a serious health condition and do not qualify for FMLA leave.

13. "Serious Injury or Illness"

A serious injury or illness is either: a) in the case of a current member of the Armed Forces (including a member of the National Guard or Reserves), means an injury or illness that was incurred by the member in line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating; or b) in the case of a veteran who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period 5 years preceding the date on which the veteran undergoes medical treatment, recuperation, or therapy, means a qualifying injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran.

15. "Spouse"

Spouse means a husband or wife as defined or recognized under state law for purposes of marriage, including common-law marriage in states where it is recognized.

Employee Notice or Oklahoma County Election of FMLA Leave

When it is foreseeable for the birth or placement of a child or for planned medical treatment, an employee who wishes to take leave under this Policy must give reasonable, advance notice and must submit a written leave of absence request for approval prior to the commencement of the leave. In most circumstances, a "reasonable, advance notice" means 30 days. When planning medical treatment, the employee must consult with their HR representative ~~Human Resources Department~~ and make a reasonable effort to schedule the treatment so as not to unduly disrupt Oklahoma County's operations, subject to the approval of the health

care provider. Advance notice of the need to take Military Caregiver Leave is also required when such leave is foreseeable. The employee has a responsibility to provide notice sufficient to make Oklahoma County aware that the employee needs FMLA qualifying leave, and the anticipated timing and duration of the leave. Failure to provide notice sufficient to make Oklahoma County aware that the employee needs FMLA qualifying leave could result in a denial of the employee's leave application.

When it is not possible to give advance notice—for example, in connection with an unforeseeable medical emergency or for Military Qualifying Exigency Leave—the employee must notify their ~~HR representative Human Resources Department~~ as soon as practicable, ordinarily within one ~~(1)~~ or two ~~(2)~~ business days of when the employee learns of the need for leave. Employees must follow Oklahoma County's customary call-in procedures, unless unusual circumstances require a deviation from them.

When an employee requests FMLA leave, the ~~Human Resources Department~~ ~~HR representative~~ will notify the employee of the employee's eligibility for and obligations and expectations of taking FMLA leave within five (5) business days, absent extenuating circumstances. After the ~~Human Resources Department~~ ~~HR representative~~ has enough information to determine whether the leave is being taken for an FMLA-qualifying reason, the ~~Human Resources Department~~ ~~HR representative~~ will notify the employee of whether the leave will be designated and will be counted as FMLA leave within five (5) business days, absent extenuating circumstances. Oklahoma County also has the right to designate an absence as Family and Medical Leave on its own volition, consistent with applicable laws and regulations, even if the employee does not request it.

If an employee has ~~credited vacation and/or sick leave balances~~, he or she must ~~take advantage of~~ ~~utilize these~~ paid leaves in connection with any leave under this ~~P~~policy. That means that the employee's paid leave will run concurrently with their FMLA leave. Accordingly, the period of unpaid leave is shortened by the period of paid leave so that the maximum leave taken is no more than 12 weeks.

If such paid leave ~~balances~~ do not apply or have been exhausted, leaves under this ~~p~~Policy will be without pay. Employees who are absent and receiving benefits under worker's compensation insurance are not required to substitute credited ~~vacation annual~~ or sick leave. Nonetheless worker's compensation or other disability absences qualifying as serious health conditions will be designated by Oklahoma County as Family and Medical Leave and the leave would be counted as running concurrently for purposes of both worker's comp/long-term disability and FMLA.

Certification of FMLA Leave

Oklahoma County will require a health care provider's complete and sufficient certification of either the employee's or the family member's serious health condition, whichever is applicable, to be completed within 15 calendar days of the leave request. For Military Qualifying Exigency Leave, Oklahoma County will require complete and sufficient certification for the first instance of a request for leave in accordance with 825.309 of the FMLA, to be completed within 15 calendar days of the leave request. For Military Caregiver Leave, Oklahoma County will require confirmation of a covered family relationship to the covered service member pursuant to 825.122(j) of the FMLA. Also, for Military Caregiver Leave, the employee must provide complete and sufficient certification to Oklahoma County in accordance with 825.310 of the FMLA, to be completed within 15 calendar days of the leave request. Oklahoma County will notify the employee of the requirement to provide certification and the penalties for failing to do so upon the employee's notice of a request for FMLA leave; within five (5) business days thereafter; or within five (5) business days of the leave commencing in cases of unforeseen leave. Where the employee's need for leave due to the employee's own serious health condition, or the serious health condition of the employee's covered family member, lasts beyond a single year, Oklahoma County will require the employee to provide a new medical certification in each subsequent leave year.

If the certification the employee provides is incomplete (~~blank entries~~) or insufficient (~~vague or non-responsive answers~~), the ~~Human Resources Department~~ HR representative will advise the employee of the deficiencies in writing and the employee will be allotted seven (7) additional calendar days (unless not practicable under the circumstances despite the employee's diligent good faith efforts) to cure the certification. Failure to provide complete and sufficient certification could result in a denial of the employee's FMLA leave request.

Furthermore, upon the employee's authorization pursuant to HIPAA, the ~~Human Resources Department~~ HR representative may contact the health care provider for purposes of clarification and authentication of any medical certification. Oklahoma County will, under no circumstances, utilize the employee's direct supervisor when making such contact. Despite Oklahoma County's ability to make such contact, it remains the employee's sole responsibility to provide the employer with a complete and sufficient certification, and a failure to do so could result in a denial of the employee's FMLA leave request.

Oklahoma County may request recertification for leave taken because of the employee's own serious health condition or the serious health condition of a family member every thirty (30) days if the employee continues to be absent. If the medical certification indicates that the minimum duration of the condition is more than thirty (30) days, Oklahoma County will wait until the minimum duration expires before requesting a recertification. In all cases Oklahoma County can request recertification of a medical condition every six (6) months in connection with an absence of the employee. In all cases Oklahoma County may request

recertification in less than thirty (30) days if: (a) the employee requests an extension of leave; (b) circumstances described by the previous certification have changed significantly; (c) Oklahoma County receives information that casts doubt upon the employee's stated reason for the absence or the continuing validity of the certification. All recertification requested shall be at the employee's expense.

As a condition for restoring an employee whose FMLA leave was occasioned by the employee's own serious health condition that made the employee unable to perform the employee's job, Oklahoma County will require the employee to obtain and present certification from the employee's health care provider that the employee is able to resume work. The employee has the same obligations to participate and cooperate in the fitness-for-duty certification process as in the initial certification process. The certification from the employee's health care provider must certify that the employee is able to resume work. Additionally, the certification must specifically address whether the employee is able to perform the essential functions of the employee's job. ~~Oklahoma County~~The HR representative will supply the employee with a list of essential job functions with its designation notice described above. The cost of certification will be borne by the employee.

Husband and Wife Leave under the FMLA

When a husband and wife are both employed by Oklahoma County, they are limited to a combined total of 12 workweeks during any rolling 12-month period if leave is taken for birth of a child, care for the child after the birth, placement of a child with the employee for adoption or foster care, or to care for the employee's parent with a serious health condition. The limitation does not apply, however, to leave taken by either spouse to care for the other who is seriously ill and unable to work, to care for a child with a serious health condition, or for his or her own serious illness.

Also, an aggregate of 26 workweeks during any single 12-month period may be taken by a husband and wife who are both employed by Oklahoma County for Military Caregiver Leave. The number of workweeks of leave available to each will be reduced by the number of workweeks taken by that individual (but not his or her spouse) during the 12-month period for other purposes under this ~~p~~Policy.

Intermittent or Reduced Leave Schedule under the FMLA

An employee taking leave after the birth or because of placement for adoption or foster care of a healthy child is permitted to take leave intermittently or by working a reduced workweek only with the approval of ~~an officer of Oklahoma County~~the elected official or BOCC department head. However, intermittent or reduced work leave to care for a seriously ill family member, because of the employee's own serious health condition, or for Military Caregiver Leave, may be taken whenever medically necessary. Military Qualifying Exigency Leave may also be taken on an intermittent or reduced leave basis. Oklahoma County may require a medical

certification of the need for intermittent or reduced schedule leave and periodic recertification of the continued need for the leave consistent with the regulations issued by the Department of Labor. In some instances, Oklahoma County may transfer an employee temporarily to an available alternative position with equivalent pay and benefits when this would better accommodate recurring periods of intermittent or reduced schedule leave based on planned medical treatment. Actual time taken should be reported as Family and Medical Leave on the employee's time sheet. Employees on intermittent leave should contact their ~~Human Resources~~HR representative with any questions concerning actual hours worked and overtime compensation.

When an employee takes FMLA leave on an intermittent or reduced leave schedule basis, Oklahoma County will account for the leave using an increment no greater than the ~~fifteen (15) minutes shortest period of time that Oklahoma County uses to account for use of other forms of leave provided it is not greater than one hour and~~ provided that the employee's FMLA leave entitlement will not be reduced by more than the amount of leave actually taken.

Oklahoma County will require a certification of fitness to return to duty from intermittent or reduced leave schedule for each absence up to once every thirty (30) days if reasonable safety concerns exist regarding the employee's ability to perform his or her duties, based upon the serious health condition for which the employee took such leave.

~~Oklahoma County will also require both periodic reports during the leave of an employee's status and his or her projected date of return to work and a written release from his or her physician to return to work.~~

Benefits During FMLA Leave

Employees on Family or Medical Leave will continue to be covered under Oklahoma County's benefits program. If the employee has coverage through Oklahoma County's health plan, the employee must continue to pay the employee's share of the premiums to keep this coverage in effect, just as if he or she was working. If the employee does not return to work at the end of the leave, Oklahoma County may charge the employee for the full premium cost of the health coverage during the leave. However, the employee will not be charged if he or she does not return due to:

1. The continuation, recurrence or onset of a serious health condition which would entitle the employee to Family and Medical Leave; or
2. Other circumstances beyond the employee's control.

Holidays While on FMLA Leave

The fact that a holiday may occur within the week that an employee has taken as FMLA leave has no effect; the week is counted as a week of FMLA leave. However, if the employee is using FMLA leave in increments of less than one week, the holiday will not count against the employee's FMLA entitlement unless the employee was otherwise scheduled and expected to work during the holiday. Furthermore, if for some reason Oklahoma County's business activity has temporarily ceased and employees are generally not expected to report for work one or more weeks, the days the employer's activities have ceased do not count against the employee's FMLA leave entitlement.

Return to Work Following FMLA Leave

On return to work from Family and Medical Leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. Ordinarily an employee will be restored to the same position the employee held prior to the leave, with the same pay and benefits, if the position remains available. However, an employee has no right to return to the same position.

If an employee is certified as able to return to work in a light duty job, the employee has the option of declining to return and remaining on Family and Medical Leave until fully released or the 12-week entitlement period is exhausted, whichever occurs earlier. The decision not to accept light duty, however, may result in the loss of worker's compensation benefits, at which point the provision for substitution of paid leave (~~vacation-annual~~ and sick leave) would apply. Voluntary acceptance of light duty does not waive an employee's right to restoration to the same or an equivalent position. Although time spent on light duty does not count against the annual 12-week FMLA allotment, an employee's right to restoration will expire at the end of the 12-month FMLA leave period.

Key Employees under FMLA

Oklahoma County retains the right to deny reinstatement to "Key Employees" upon its determination that substantial and grievous economic injury will result. The employee will be given notice that he or she is considered a "Key Employee" as soon as practicable after receipt of a request or designation by Oklahoma County of an absence as Family and Medical Leave. If a determination is made of substantial and grievous economic injury, the employee will be notified in writing, with such notice being served in person or by certified mail. Leave cannot be denied, but reinstatement can.

Other Work Prohibited During FMLA Leave

Employees may not engage in work for another employer during employee's normal business hours, whether full or part-time, while on Family and Medical

Leave from Oklahoma County. Any violation of this provision may jeopardize the employee's right to return to work. ~~Oklahoma County will also require both periodic reports during the leave of an employee's status and his or her projected date of return to work and a written release from his or her physician to return to work.~~

Unlawful Acts under FMLA

It is unlawful for Oklahoma County to: a) interfere with, restrain, or deny the exercise of any right provided for under FMLA; or b) discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement of FMLA

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against Oklahoma County for any violation of FMLA.

LEAVE SHARING POLICY

Oklahoma County has adopted a Leave Sharing Policy, ~~in which which is similar to, but is not totally consistent with, the Leave Sharing Program for State employees. A~~ a county employee may donate annual or sick leave or compensatory time to another county employee only pursuant to the following conditions:

- The receiving employee has exhausted, or will exhaust, all annual leave, sick leave and compensatory time (if applicable) due to illness, injury, impairment, or physical or mental condition, which is of an extraordinary or severe nature.
- The receiving employee receives a certification for the FMLA event.
- The condition has caused, or is likely to cause, the employee to go on leave without pay or terminate employment; and
- The supervising officials of both the Recipient Employee and the Donor Employee approve the leave sharing arrangement.

The donating employee may donate any amount of available annual leave and sick leave hours, provided the donation does not cause his/her annual leave balance to fall below 80 hours and does not cause his/her sick leave balance to fall below 80 hours.

~~County's Payment of Employer Share of Health Insurance Premiums during Leave of Absence~~

~~If an employee is on medical leave, including workers' compensation leave, the County will continue to pay the County's portion of health insurance premiums for the first 12 weeks of the absence (if the absence qualifies under the County's FMLA policy). For employees on workers' compensation leave exceeding 12 weeks, the County may elect to voluntarily continue paying the County's portion of health insurance premiums for up to a total of one year of the leave, which is the limit of such benefit afforded to State employees under the Oklahoma Personnel Act.~~

~~Note: The County should communicate to its employees the specific length of its payments of premiums under this policy (i.e., 12 weeks [the minimum time required if the leave is covered by the FMLA], one year [the period of time the State of Oklahoma pays the employer share of premiums to workers' on workers' compensation leave, see § 74-840-2.21], or some other period), and should apply this policy in a consistent and uniform manner.~~

SICK LEAVE

Formatted: Highlight

All full-time Oklahoma County employees shall be entitled to sick leave with pay that is accrued monthly in accordance with the schedule outlined below:

| Accrual Rates | |
|-----------------------|---|
| Sick Leave | Accumulation Limits |
| 10.00 hours per month | 1040 hours (current handbook "no limit") |

- Personal illness.
- Illness of a spouse, child, parent, or legal dependent.
- Personal medical, dental, or vision appointments
- Medical, dental, or vision appointments of a spouse, child, parent, or legal dependent.

In the event the leave is due to your own serious health condition, or for the seriously ill condition of a family member, the sick leave will also constitute family/medical leave where appropriate. During an approved FML, Oklahoma County will maintain your health benefits, as if you continue to be actively employed. (See previous section on Family and Medical Leave). If your need for sick leave is foreseeable, you must give Oklahoma County 30 days prior written notice. Where the need for sick leave is not foreseeable, you are expected to notify Oklahoma County within 1 or 2 business days of learning of your need for sick leave, except in extraordinary circumstances. Failure to provide such notice may be grounds for denial of the leave as sick leave.

If you are requesting sick leave, you and the relevant health care provider may be asked to supply appropriate medical certification. Failure to provide requested medical certification in a timely manner may result in disciplinary action up to and including termination and/or denial of leave until is provided. Oklahoma County, at its expense, may require an examination by a second health care provider designated by Oklahoma County, if it reasonably doubts the medical certification you initially provide. Oklahoma County may require subsequent medical certification on a reasonable basis.

Commented [EM26]: Do we need to repeat FMLA rules here since they are outlined in a separate section? If not, remove.

A physician's statement and release may be required by the elected official or BOCC department head when an employee uses sick leave.

When terminating employment with the County, an employee ~~may~~will not collect pay for accrued sick leave. Abuse of sick leave is grounds for termination.

VEHICLE USAGE

~~The Oklahoma State Constitution places significant restrictions on the use of county-owned vehicles. In addition, the federal Internal Revenue Service Code has significant provisions to determine whether the use of county-owned vehicles (or any other "listed property" under the I.R.S. Code) will be considered as a taxable fringe benefit for individual employees. Oklahoma County also has policies for the purpose of limiting liability of the County. Therefore, to comply with the legal requirements of the Oklahoma Constitution, in order not to have the use of county-owned vehicles inappropriately classified as a taxable fringe benefit by the I.R.S., and in order not to expose the County to unwarranted liability, the following policies and procedures must be closely followed by all employees.~~

- County-owned vehicles may only be used for purposes which are solely for the benefit of the County. Employees who use county-owned vehicles for purposes which are not specifically for the benefit of the eCounty shall be subject to disciplinary action up to and including dischargetermination.

- Only County employees on official County business, and official guests of the County, may operate or be a passenger in County-owned vehicles. County employees shall not allow family members or other non-authorized, non-employees to operate or be a passenger in County-owned vehicles.

- ~~Under certain circumstances, employees may be instructed by the appropriate elected official~~ or BOCC department head ~~to drive a county-owned vehicle to and from the employee's home to the employee's regular place of work. Although, such use may be proper under the Oklahoma State Constitution (under appropriate circumstances),~~ Such use may ~~still~~ be considered as a taxable fringe benefit by the I.R.S. Code.

The County is committed to providing its employees with a safe workplace ~~and an atmosphere which allows them to protect property and other assets placed in their care.~~ Employees are expected to be in a suitable mental and physical condition while at work, allowing them to perform their jobs effectively and safely.

~~Whenever use or abuse of any mood altering substance (such as alcohol or other drugs) interferes with a safe workplace, appropriate action must be taken. The County has no desire to intrude into its employees' personal lives. However, both on the job and off the job involvement with any mood altering substances can have an impact on our workplace, the County's interests and reputation, and on the County's ability to achieve its objectives of safety and security. Employees are expected to report to the County's premises, work sites, vehicles, client locations or customer work sites with no mood altering substances in their body. Further, the possession, sale or use of mood altering substances at work, or coming to work under the influence of such substances will be a violation of safe work practices and may result in disciplinary action, including possible dismissal.~~

Oklahoma County prohibits all employees, ~~— including those with valid Oklahoma medical marijuana licenses, —~~ from being under the influence or impaired by marijuana during any hours of employment, regardless of location. Any employee who is charged and/or convicted under any federal or state criminal drug and/or alcohol statute must notify their supervisor or the personnel department within five ~~(5)~~ days of the charge and/or conviction and may receive some form of disciplinary action, including ~~dismissal~~ termination.

The proper use of controlled medications or over-the-counter drugs as part of a prescribed medical treatment program of the individual does not constitute, by that fact alone, a violation of this Ppolicy, but it may be important for an employee's supervisor to be aware such use is occurring to determine job assignments. Such use may provide a basis for reassignment, a leave of absence, or dismissal because of medical reasons. An employee undergoing prescribed medical treatment with a controlled medication that could impair his/her physical, mental, or emotional faculties must immediately report this treatment to his/her supervisor. Failure to do so will constitute a violation of this Ppolicy.

Refusal to allow a search or interference with a search may result in disciplinary action, including possible dismissal.~~

EMPLOYMENT SEPARATION

Oklahoma County offers no employment contracts, nor does it guarantee any minimum length of employment. Just as any employee may terminate employment at any time, so may Oklahoma County terminate an employee at any time "at-will," with or without cause, with or without notice.

There are several types of separation:

RESIGNATION: -Employees who find it necessary to terminate their employment with Oklahoma County are expected to give two weeks' notice to their supervisor. Any employee who fails to report to work and fails to call in for two consecutive days/shifts will be considered to have voluntarily terminated the employment relationship even if no resignation notice is given.

REDUCTION IN FORCE (LAYOFF): -An employee may be subject to a non-disciplinary, involuntary termination through layoff in connection with a shortage of

funds, abolition of a position, or lack of need for the work performed by an employee or group of employees. The elected official or department head should make every effort to give at least two weeks' notice of the layoff. ~~In such case, the employee is eligible to receive the value of their accrued and unused vacation leave.~~

RETIREMENT: –Employees planning to retire are required to give proper two weeks' notice of retirement. ~~In such case, the employee is eligible to receive the value of their accrued and unused vacation leave.~~

TERMINATIONDISCHARGE: –In order for Oklahoma County to carry out its obligations and priorities in the most efficient manner possible, the County adheres to the principles of at-will employment whereby the County and employees alike can terminate the employment relationship at any time and for any reason or for no reason, not prohibited by Federal, State or Municipal law. ~~If an employee is separated for cause (i.e. for misconduct, or for violations of County policy, or for continued misconduct after repeated warnings), the employee is not eligible to receive the value of their accrued and unused vacation leave.~~

~~Upon separation the employee must report to the Clerk's office for an exit interview and to make arrangements for the final paycheck.~~

AUTHORITY TO SEARCH

Desks, lockers, and other storage devices within the workplace may be provided for the convenience of employees but remain the sole property of the County. Accordingly, they, as well as any containers or articles found within them, can be inspected by any member of management, at any time, with or without prior notice. Containers may include, but are not limited to, any packet, package, purse, briefcase, or lunch container. ~~Containers are subject to search whether they are locked.~~—Oklahoma County has the right to search containers whether they are locked by a device provided by the County or by the employee.
