Emergency

Call To Order

Roll Call

Notice of the meeting was properly posted on September 6, 2022.

For purposes of this agenda "Action" means any of the following: amending, approving, approving as amended, deferring, denying, giving instructions to staff, making a recommendation to another public body, receiving documents or presentations, referring to committee, reconsidering, re-opening, returning, or striking the item.

Describe nature of emergency as required by O.S. 25 § 312. B.

This emergency meeting is necessary because a situation exists involving immediate injury to persons or injury and damage to public or personal property or immediate financial loss. Time requirements for public notice of a special meeting would make such procedure impractical and increase the likelihood of injury or damage or immediate financial loss.

- 1. Discussion and possible action regarding the imminent danger created by the failure of the fire control system in the courthouse.**

Citizen Participation: "Citizens may address the Board during open meetings under the agenda item "Citizen's Participation.", however the Board cannot discuss, take action or make any decisions on matters not on the current agenda. Please fill out a "Citizen's Participation" request form provided by the County Clerk's office or complete the fillable form that will be provided by PublicComment@oklahomacounty.org and submit via email or hand the form to the recording secretary prior to the meeting.
