BACKGROUND

- A. Company provides a sales verification software-as-a-service application that aggregates various data sources about real estate transactions and creates a workflow that is designed to allow staff members to process real estate sales more quickly (collectively the "Platform").
- B. Company also provides support and maintenance services related to its Platform, and may offer consulting, implementation and other professional services.
- C. Customer wishes to utilize the Platform and related services as provided herein.

NOW, THEREFORE, in consideration of the mutual promises contained herein and for other good and valuable consideration, the Parties hereto agree as follows:

1. PLATFORM ACCESS.

1.1 Subject to the terms and conditions of this Agreement, Company hereby grants Customer and its Users a non-exclusive, non-transferable (except for permitted assignments under Section 9) right, during the Term (as defined below), to access and use the Platform solely for Customer's internal business purposes in accordance with the applicable Order Form. As used herein, "User" means an employee, representative, consultant, contractor or agent of Customer who is authorized to use the Platform and has been supplied a user identification and password by Customer (or by Company at Customer's request).

1.2 As used herein, "Order Form" means a quote, order form in substantially the form attached as Exhibit A, or other ordering document detailing the Customer's access to the Platform and any associated fees therefor and any transaction-specific terms and conditions. If the parties agree, an Order Form may be used in connection with, or in lieu of, an SOW (as defined below).

1.3 As part of the registration process, Customer will identify an administrative user name and password for Customer's Company account. Company reserves the right to refuse registration of, or cancel passwords it deems inappropriate. Customer may only allow that number of Users as is specified in the applicable Order Form(s) to use the Platform at any one time. Customer acknowledges that Company may

Customer shall use commercially reasonable efforts to prevent unauthorized access to, or use of, the Platform, and shall promptly notify Company of any known unauthorized use. Customer will ensure that (a) all Users given access to the Platform have the right to access the information and Customer Data made accessible to them by Customer through the Platform and (b) any User granting Company access to any Customer Data has the right and authority to grant such access.

2. SUPPORT AND PROFESSIONAL SERVICES

2.1 Subject to the terms hereof, Company will provide Customer with reasonable technical support services in accordance with the Company's standard practice.

2.2 In connection with Customer's use of the Platform, Company and Customer may agree in an Order Form and/or a separate mutually executed Statement of Work (an "SOW") upon training, implementation, consulting or other professional services to be performed by Company (collectively the "Professional Services"). Customer agrees to provide Company with any required Customer materials needed for Company to perform the Professional Services, and hereby grants Company a royalty-free, non-exclusive, worldwide license to use such materials for the sole purpose of enabling Company to perform the Professional Services. Company will use commercially reasonable efforts to meet any schedules set forth in an SOW or Order Form, and Customer agrees to cooperate in good faith to allow Company to achieve completion of such Professional

Services in a timely and professional manner. If achievement of any particular milestone is dependent upon performance of tasks by Customer or by a third party outside of Company's control, any projected dates for accomplishing such milestones will be approximately adjusted to reflect any changes in such tasks. Customer may not copy, modify, or otherwise create derivative works of any Deliverables without Company's prior written consent in each case.

3. RESTRICTIONS AND RESPONSIBILITIES

Although Company has no obligation to monitor Customer's use of the Platform, Company may do so and may prohibit any use of the Platform it believes may be (or alleged to be) in violation of the foregoing.

3.4 Customer shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Platform, including, without limitation, modems, hardware, servers, software, operating systems, networking, web servers and the like (collectively, "Equipment"). Customer shall also be responsible for maintaining the security of the Equipment, Customer account, passwords (including but not limited to administrative and user passwords) and files, and for all uses of Customer account or the Equipment with or without Customer's knowledge or consent.

For the sake of clarity, Customer is not obligated to provide Company with any Feedback under this Agreement.

6.2 In addition to any other remedies it may have, either party may also terminate this Agreement (or an Order Form or SOW) with written notice (or without notice in the case of nonpayment) if the other party materially breaches any of the terms or conditions of this Agreement (or an Order Form or SOW) and does not cure such breach within thirty (30) days of receiving written notice of such breach from the other party. Customer will pay in full for the Platform up to and including the last day on which the Platform is provided.

6.3 Customer may terminate this Agreement for convenience by providing Company with sixty (60) days written notice. In the event of such a termination, Customer will receive a refund of any prepaid fees for services not yet completed.
