III. Lease Term

This lease shall commence on the date the Equipment is accepted by the Lessee and shall automatically terminate, unless renewed in accordance with the terms set forth below, at the end of the fiscal year of the County of Oklahoma County during which the lease is commenced.

IV. Option to Renew:

The Lessee is hereby granted six (6) successive options to renew this lease for additional terms not to exceed one fiscal year, plus one final option to renew this lease for a period of six (6) months, all upon the same terms and conditions, provided that such options may be exercised, as a matter of right, solely and exclusively by the Lessee, the exercise of any such option shall be accomplished by the issuance of a purchase order upon or within thirty (30) days after the expiration of the terms of this lease or any renewal then in effect.

V. Title to Equipment

The Equipment is and shall at all times during the term of this lease and any renewal term remain the sole property of the Lessor and the Lessee shall have or acquire no right, or title to Equipment until the final payment is made.

VI. Option to Purchase

In the event the Lessee shall have exercised all of its options for renewal of this lease as provided in paragraph IV, above, upon tender of the last lease payment due under the last renewal term, the Lessee shall acquire title to and ownership of the Equipment. In the alternative, the Lessee, at its sole and exclusive option, may purchase the Equipment at any time during the term of this lease or during any renewal term as provided by paragraph IV, above, giving written notice to the Lessor of the Lessee's intent to purchase accompanied by a single, final payment of the purchase price of said Equipment, plus interest from the effective date hereof to the date of purchase, less an amount equal to the sum of all lease payments made under the terms of this Agreement. VIII. Repairs and Maintenance

The Lessee shall maintain the Equipment in good working order and shall make all necessary routine adjustments and repairs, as a result of fair wear and tear, all at the expense of the Lessee. The Lessor and the Lessee may provide for the maintenance and repair of the Equipment by separate written agreement, and in the event they make such agreement, its terms shall supersede and replace the provisions of this paragraph of this lease.

IX. Taxes

The Lessor shall forthwith pay all taxes which may be imposed upon it with respect to the Equipment.

X. Insurance

XI. Patents

In the event any suit is instituted against the Lessee which is based upon any claim that any of the Equipment is implicated in an infringement of any provision of the United States Patent Law, the Lessor shall, at its own expense, defend such suit against the Lessee; provided, Lessee provides the Lessor with prompt notice of the institution of such suit and permits the Lessor to fully participate in the defense. The Lessee shall also retain the right to participate in such defense and shall, in any event, provide the Lessor with all available information, assistance and authority to enable the Lessor to conduct the defense. No compromise or settlement of such suit resulting in a judgment against the Lessee shall obligate or bind the Lessor unless the Lessor shall have accepted such compromise or settlement, the Lessor shall have the right to enter into negotiations for and effect a compromise or settlement of such patent action, but no such compromise or settlement shall be binding upon Lessee unless approved by the Lessee. Subject only to the terms of this paragraph, the Lessor shall hold the Lessee harmless from any liability arising from any patent suit such as is described above. In the event of any of the Equipment shall be held, in any suit, to constitute an infringement of patent law, and its use shall be enjoined, then the Lessor shall, at its sole option and at the Lessor's expense:

1. Obtain for the Lessee the right to continue to use the Equipment;
2. Replace or modify the Equipment in a manner acceptable to the Lessee so that the Equipment no longer infringes any provision of patent Law.

XII. Funding

Notwithstanding any other provision of this agreement, the parties acknowledge and agree that the funds to be paid by the Lessee under the terms of this lease will be available only as appropriated on a fiscal year to fiscal year basis by properly constituted legal authority. In the event that the Lessee determines that sufficient funds have not been appropriated to make the payments required under the terms of this agreement, the obligations of the Lessee under this agreement shall terminate. In such event, the Lessee shall give thirty (30) days written notice of termination to the Lessor.

XIII. Assignment

The Lessor may, with the prior written approval of the Lessee, assign its right to receive payment of lease due under the terms of this agreement. However, any such assignment shall not relieve the Lessor of its responsibilities to perform the duties and obligations imposed upon it by this agreement.

XIV. Road Machinery and Equipment

If the terms of this agreement are in regards to road machinery or Equipment, the Lessee assumes all risk and liability for and shall hold the Lessor harmless from all damages to property and injuries and death to persons arising out of the use, possession or transportation of said road machinery or Equipment.

This agreement may not be modified or terminated except as provided in the above terms and conditions or by written agreement of the Lessor and Lessee. If any provision of the agreement shall be determined to be invalid, it shall be considered as deleted from this agreement and no remaining provision of the agreement shall be deemed invalid.

XVI. Choice of Law

This lease shall be governed in all respects by the laws of the State of Oklahoma. In the event that any litigation shall occur concerning the terms and conditions of this lease or the rights and duties of the parties, the parties agree that any such suit shall be maintained in the District Court in and for Oklahoma County (Leasing County), State of Oklahoma.
